First Rural Tweedsmuir Tea Held By River Valley Women's Institute

Held at Meadowbush Farm Monday, May 23rd — Over 130 People In Attendance

(By Mrs. Percy MacMullen)

In preparation for Canada's Centennial celebration next year, the first Tweedsmuir Tea was held at Meadowbush Farm, River Valley on Monday, May 23rd and proved to be most successful. Mrs. Roy Bush, Curator of the River Valley Tweedsmuir History Book, planned the event and twelve members of River Valley Institute assisted with various duties.

One hundred and thirty people signed the guest book during the afternoon and evening and each wore a name tag of designation. Guests were in attendance from as far away as Streetsville, Rossmore and Belleville. Seven Institutes were represented as follows: Tyendinaga East in Hastings East, Wellman's in Hastings North and five from Hastings West — Uniondale, Pine Grove, Wallbridge, Chatterton and River Valley.

The proceeds of the day amounted to \$46.00 and this will be used to further the history book of the Valley.

The guests were welcomed at the door by Mrs. Roy Bush and her daughter-in-law, Mrs. Glenn Bush, who is President of River Valley W.I.

Four Rooms Used For Display

Four rooms were used to display the various articles and then all enjoyed an old fashioned lunch in the tea room. Several 4-H Club girls, Judy Bush, Trudy Bush, Joyce Carr, Jane Bush, Susan Bush and Connie Tucker assisted with the serving. The lunch consisted of buns, tea cakes, muffins, various spreads, cheese and celery. The tea room was decorated in the Institute colours of blue and gold with blue lettered serviettes and miniature tea pots. Mrs. Jack Bush convened the tea and her assistants were Mrs. Philip Conley and Mrs. Vernon Harry.

Tweedsmuir History Book On Display

The Tweedsmuir History Book was divided into sections and displayed on three tables. Here the guests could sit and browse through the various pages. Several folk spent hours enjoying the displays. The book contains a wealth of material pertaining to the River Valley community.

18th Century Articles On View

There were many articles on view from the 18th Century with a brass kettle and an ammunition pouch which were used in the War of 1812. Several articles were dated 1844, 1845 and 1864, while many others were over one hundred years old.

Mrs. Roy Tucker and Mrs. Roy Irvin were in charge of Room One. Two wall cabinets were filled with treasured china dishes and bric-brac.

Local Lawn Bowling Club Makes Plans For Coming Season

Pot Luck Supper and Club Jitney To Be Held Tonight at the Club House

Next to archery, Lawn Bowling takes its place as one of the oldest sports in the world. It is also one of the very few that has remained untouched by professionalism.

The oldest lawn bowling green in the world was established in Southampton, England, prior to 1299. The game also played its part in English history. Many are acquainted with the famous game in July, 1588, on Plymouth Hoe, with Sir Francis Drake delivering his bowl as the Spanish Armada was sighted.

The game was brought to Canada in the 18th century by English immigrants. Our close ties with the mother country speeded the transplant.

Members of Stirling Lawn Bowling Club are flexing their muscles these days, readying for the coming season, which will open tonight (Wednesday) with a pot luck supper.

The Club itself is not private or exclusive. The membership fees are moderate and the necessary equipment may be purchased inexpensively.

Lawn Bowling is a great family sport, but it is wrong to class it as a sport for elderly people. In fact, it is one of the most scientific games played, and provides exercise and relaxation to men and women of all ages.

Lawn Bowling is played in the summer and early fall and is faced with stiff competition for other activities in the great outdoors: automobile trips, golf, tennis, baseball and many others. Unlike all these sports, however, lawn bowling assures the beginner that he can become a good player but never an expert or professional such as we know in golf and tennis.

As a sport it is not unlike its sister sport, curling. However, the movable jack (or tee) offers a greater variety of shots and a wider opportunity to build up an end.

It is felt in some quarters that young people must be attracted to the game. At present Lawn Bowling is in the same period of development as curling was prior to the introduction of the long slide. This revolution attracted hundred of thousands of youngsters to the winter pastime. Lawn Bowlers are hoping for a similar revolution and results.

Two Local Business Places Entered

Thieves were active in the Village on Sunday night when two places of business, Stirling Lumber Ltd., North St., and Jack's Appliances, Mill St., were entered.

At the lumber company, power tools and lawn mowers were reported missing. At Jack's Appliances, a quantity of small electrical appliances and hi-fi records were stolen. It is estimated that \$1,000.00 in goods were taken from each place of business.

Police Chief C. E. Hicks and O.P.P. Officers are investigating the thefts.

John Bibby Killed At Trenton

A 63-year-old Trenton man, John Bibby, was killed instantly around 1:30 p.m., Tuesday, March 24th, when he slipped and fell beneath the wheels of a slow-moving flat car at Duntar Cressington Plant at Trenton. The man's head was crushed by the wheel.

Mr. Bibby, who lived at 231 Mar-mora St., Trenton, was braking the freight car and slid beneath the wheel after he stepped off the car onto a pole.

Born in Michigan, Mr. Bibby was the son of the late Mr. and Mrs. Nicholas Bibby. He had lived in Trenton for the past 17 years, having previously lived in Stirling. He was a member of St. Peter's Church and of the Holy Name Society at that church.

Mr. Bibby was survived by his wife, the former Madeline Ryan; two daughters, Mrs. Zoltan (Margaret Ann) Csaszar, of Batawa, and Eileen, of Kingston; and two sons, Gerald and Joseph, at home. Also surviving are three sisters, Mrs. Bernard (Sadie) O'Brien, of Belleville; Mrs. Patrick (Theresa) Mullin, of Cannifton, and Mrs. Stafford (Adeline) Haley, of R.R. 1, Carrying Place, and by two brothers, Joseph, of Paris, and Donald, of Toronto.

Requiem High Mass was celebra-

ted at St. Peter's Church, Trenton, at 10 a.m., Saturday. Interment in St. James the Minor Cemetery at Stirling.

Mr. Bibby rested at the Rushnell Funeral Centre, Trenton.

Sidney Council Sets Mill Rate

The auditors' report for 1965 was presented and accepted by the Sidney Township Council at the May meeting.

The 1966 budget was presented and, after some revisions, was passed.

The estimated expenditures for Sidney Township for 1966 are \$688,263.00. Slightly higher mill rates for Hastings County levies, Township general levy and High school levies with lower public school rates are the results of the estimated expenditures and revenues for 1966.

The total mill rate for the Township ratepayers living in the Bay of Quinte High School area is 71.3 mills with 70.6 for those in the Stirling-Rawdon High School area for the year 1966.

Other local improvement rates are in addition to those rates if applicable to ratepayers.

Separate School supporters in the Belleville and Trenton areas have approximately the same rates as last year, with Batawa area slightly lower.

The Building Inspector reported 16 permits issued for the month of April for a value of \$100,500.00.

A delegation interviewed council relative to the Hogles Cemetery and informed council there has been vandalism and theft of tombstones and grave markers from the cemetery.

Several complaints were received regarding dogs running at large and dog owners are urged to take care of their dogs as there will be drastic measures taken in the future to control these violations.

The next regular meeting of council will be held June 6th at the Orange Hall, Wallbridge, at 7:30 p.m.

THE CHILD WITH PROBLEMS

"Contrary to the assumption that children gain satisfaction from 'acting out' impulsively, children become less satisfied and more impulsive when permissive, loosely structured conditions prevail."

This is the conclusion of one of hundreds of authorities on the questions of the problems of children. The conclusion is typical of the studies being reported in the professional journals of psychiatry, psychology, social work, and teaching. The recurring theme in these articles sounds like this: Children need limits and controls; an ordered day means stability and safety for the child. To develop the control of their own behaviour, children need controls set by adults.

In today's professional emphasis on what children need, is a decided shift in emphasis from an earlier period. Not long ago, and perhaps even yet, the psychologist was seen as the professional advocating freedom of expression for children. The writings of John Dewey influenced a whole generation in the approach to child-rearing and teaching. Dewey's contribution was a valuable reaction to Victorian rigidity towards children. Now the problem is the reverse. A whole generation of parents and teachers must learn how to set firm but not punitive controls on children. These adults need help in learning this as they are the products of "permissiveness".

There is mounting evidence that the problems of delinquency and disturbance we now face in our society result from a misuse of the concept of freedom for children. Our task is to re-establish adult authority starting with the nursery, the kindergarten, and the playroom.

MRS. FRANCES LYDIA BIRD

Mrs. Frances Lydia Bird, of R.R. 4, Stirling, died Wednesday morning, May 25th, in the Belleville General Hospital. She had been ill for some four months and was in her 82nd year.

Born in Shannonsville, the daughter of the late Mr. and Mrs. Thomas Stickney, Mrs. Bird resided there until moving to Stirling 61 years ago. She was an adherent of the United Church.

Predeceased by her husband, Milton Bird, she is survived by one sister, Miss Sarah Stickney, of R.R. 5, Belleville.

Mrs. Bird rested at the John R. Bush Funeral Home, Belleville, Ont., where the funeral service was held on Friday, May 27th, 1966, at 2:30 p.m. in the Chapel. Rev. Claude Gilbert officiated. Interment in Stirling Cemetery.

The bearers were Raymond Chambers, Alex Nathan, Harold Dettlor, Dave Hollinger, Harry Jones and Charles Mayell.

St. Paul's UCW Unit Two

Unit Two held their May meeting, Wednesday the 17th at the home of Mrs. Clarence Copeland. Mrs. Tucker opened the meeting with an apt verse and all repeated "Our Purpose."

Mrs. Blake Faulkner opened the devotional. Hymn "Holy, Holy, Holy," was sung. The scripture, Psalm 8, was read by Mrs. Sleeper. Mrs. Ray Shortt gave the meditation. The offering was taken and dedicated and the worship service closed with prayer by Mrs. Faulkner.

Fifteen ladies answered the roll call with a verse of scripture containing the word "seed". Twenty-three members are paid up to date, with one life member.

The theme for this meeting was "Family." Mrs. Faulkner had prepared a play in which Mrs. Evva Tucker, Mrs. Marcella Svoboda, Mrs. St. Pierre and Mrs. Agnes Wilson took part. The ladies took their parts very well and the play showed what can happen in a family when an only daughter receives a call for full time Christian work in a foreign land. After the play the group took part in a lively discussion.

The committee in charge served lunch and a social half hour was enjoyed.

Mrs. Faulkner closed the meeting with prayer.

Wellman's W.I.

Mrs. Gerald Clancy was hostess to the Wellman's W.I. for their May meeting. The President opened the meeting with the Institute Ode, followed by the Lord's Prayer. The roll call was answered by each giving a Proverb.

Business and correspondence were dealt with. A letter written by Mrs. Barton Haggerty was read, re improvement desired for County Homes for elderly people. Members in favour of her recommendation signed a petition. The June meeting is to be a tour of different plants in Belleville.

It was moved and seconded that three dollars be paid to Stirling Fair Board for prize money towards the entry for Grade 7 and 8 pupils for loaf white cake. It was suggested that Harold Dusterettes exhibit their dusters at Stirling Fair in the 4-H Girls' Club. Mrs. A. Akins paid into the birthday box and "Happy Birthday" was sung for her. Mrs. J. Carlisle gave the motto, "Education is lighting a lamp not filling a bucket."

Mrs. G. Russett gave a reading, "The Old Wooden Tub". Mrs. William Petherick, of Petherick's, was guest speaker and gave a splendid topic on "Why Kids Rebel". Mrs. B. Seeley thanked the speaker and presented her with a gift.

The Penny for Friendship jar was

passed and the collection gathered. Mrs. Akins moved a vote of thanks to Mrs. Clancy and to those on the programme and the guest speaker.

The meeting closed with the Mary Stewart Collect and the Queen.

Mrs. K. Tompkins conducted a contest. The hostess and her assistants served a dainty lunch.

Local Delegation To Attend Jehovah's Witnesses' Rally

Summer convention plans leading to the Canadian National Exhibition Grounds, Toronto, are being finalized by the Stirling Congregation of Jehovah's Witnesses according to an announcement made this week by Walton Lidster, presiding minister of the congregation. He will lead a delegation of about 23 from this area to attend the five-day gathering which will be held June 22-26. Jehovah's Witnesses from Ontario and Northern United States have been invited to this Bible conference.

"We are expecting an attendance over 50,000 from the Great Lake States of United States and several Canadian Provinces," Mr. Lidster explained. "This convention will be the beginning of a series of eleven North American assemblies scheduled for 1966. There will be six in Canada, four in the United States and one in Alaska. Our ministers from Stirling are excited about going to the first one."

The convention is called "God's Sons of Liberty" District Assembly. Explaining this unusual title Lidster stated: "True liberty means living inside God's principles of freedom as outlined in the Bible. There has been a lot of talk lately about the so-called 'new morality'. What is new about self-indulgence? Our purpose as Jehovah's Witnesses is to reaffirm by this public demonstration our faith in the Bible principles of moral cleanliness, family solidarity, chastity and parental discipline to control juveniles instead of the permissive prac-

tices that have made delinquency a major national problem."

Since April 24th, 3,500 Jehovah's Witnesses in the Toronto area have been busy in a massive campaign of visiting homes to arrange accommodations for the coming delegates, to supplement hotel and motel facilities to care for the large gathering.

An interesting feature of the convention will be a mass baptism when it is expected over 800 candidates will be immersed in water in symbol of total dedication of their lives to the service of Almighty God, Jehovah.

The convention is arranged by the Watch Tower Bible and Tract Society through its Canadian Branch, John O. Groh, of Brooklyn, New York, is the convention manager.

Hastings T.B. Association Hears Committee Reports

The annual meeting of the Hastings County Tuberculosis Association was attended by about 60 members in the Pinnacle Room of the Hotel Quinte recently. After dinner, Mr. C. W. Fraser, the president, who chaired the meeting, delivered his remarks and presented the reports of committee chairmen.

Mr. Ron Lee, chairman of the Case Finding Committee reported that during the past year an extensive programme of case finding was put into effect. The pupils of Grades 9 to 12 in the county were tuberculin tested by Dr. J. B. McSherry, the as-

sociation's medical advisor and the mobile unit from Kingston was used extensively at the Fall fairs and industries in the city. Of the 1,000 people x-rayed to date by this unit, 160 have shown abnormalities covering a wide range of medical deficiencies and have been recommended to their family doctors. Mr. Lee also reported that the percentage rate of patients x-rayed at the Belleville General Hospital had fallen off from last year and that there are 22 patients in Hastings County on Home Drug treatment.

The Education Committee under Chairman A. Neal Hallam distributed educational material in schools and a considerable amount of booklets and pamphlets to the teaching staff at the Belleville General Hospital. Several films were also shown in various locations throughout the county, Mr. Hallam reported.

Mrs. Maureen Bridge, Chairman of the Social and Rehabilitation Committee, reported that 110 parcels had been mailed to patients. Some were supplied with eyeglasses, groceries, and fuel oil as well as ambulance service when necessary.

At present, Mrs. Bridge reports, 16 people from Hastings County in san-

atoria.

Obtained \$16,033
The Christmas Seal campaign brought in \$16,033.72, reported Mr. Murray Atkinson, Chairman of this committee. This total was 4.4 per cent higher than the previous year's but still lacked a few dollars of hitting 1963's all time high, he said.

The report of the nominating committee was accepted resulting in the following slate of officers: President, Mr. William H. Nickle; Vice-President, Mrs. Helen Wibur; Mr. Ronald Lee and Mr. John Woodcroft, who will also be a representative on the Ontario Tuberculosis Association Executive Council; Treasurer, Mr. Roy Foran. Committee Chairmen are as follows: Case Finding Committee, Mrs. Winnifred Donaldson; Health Education Committee, Mr. Murray Atkinson; Social and Rehabilitation Committee, Mrs. Elaine White; and Christmas Seal Committee, Mr. A. Neal Hallam. Medical advisor will be Dr. J. B. McSherry.

Mr. Paul Edwin Fleming was re-appointed auditor for the association.

The speaker, Dr. W. R. Waddell of the Provincial Chest Clinic in Belleville, was preceded by the film "Are You Positive", after which he conducted a question and answer period. Dr. J. B. McSherry introduced the speaker and he was thanked by Dr. S. D. Horne.

River Valley W.I. Tweedsmuir Tea

(Continued from Page 1)

The buffet was laden with several pieces of ancient glassware. A large display of ironware used at the turn of the century, featured iron kettles, cooking utensils, apple peeler and many of grandmother's gadgets.

On a desk was a large collection of deeds and photostats of valuable material which was a treasure house of history. There was also a display of old Bibles which had been in the possession of great grandparents.

Room Two was convened by Mrs. Ernest Carr and Mrs. Malcolm McMullen and contained a large display of old and modern quilts, bedspreads crocheted and knitted, needlework of

all kinds and descriptions, which had been made in the leisurely days when the grandmothers delighted in cross stitch, crochet and knitting. Here also was a display of clothing, now outdated.

A large array of pictures and clippings were on view and one clipping had been taken from an old News-Argus newspaper. Articles needed for historical research contained an atlas and various dictionaries. A large picture of Queen Victoria and a book of her history added to the scene.

The main room, No. 3, was convened by Mrs. Charles Wilson and Mrs. Gerald Brooks. One corner table contained a large display of children's clothes, all hand made; while the opposite corner held a cot with a pretty doll. There were several displays of clocks and lamps; a cook book published in the 18th century, jewellery, war medals, pill boxes and miscellaneous articles. A life size doll with an Institute badge pinned on her dress, stood guard over the container where the guests placed their donations.

Room No. 4 was convened by Mrs. Percy MacMullen and Mrs. Norman Rosebush. One corner depicted various pictures of former teachers and pupils at the River Valley School. There were several old school books, an ink well, the old bell used many years ago at the school, chairs used in the days of yore, a large collection of butter making equipment, crocks of all sizes and shapes, a doll of 1904, a variety of antique dishes and articles used in the War of 1812.

From here the guests entered the tea room to enjoy a social half-hour.

The visitors arrived before 2 p.m. on Monday and many times the rooms were filled to capacity with the last visitors leaving at midnight.

Several friends also came to view the display on Tuesday and Wednesday, while others returned again to have a second look at what they had missed on Monday.

This first venture was most successful and is a forerunner of what the River Valley Institute hopes to accomplish in Centennial Year.

As we move into the future it is well to remember the past and pay tribute to those who left us our heritage.

Bank of Montreal Appointment

JOHN B. LESSLIE

Appointment of John B. Lesslie as regional assistant general manager with jurisdiction over Bank of Montreal branches in eastern, northern and north-western Ontario, has been announced by J. Leonard Walker, senior general manager and chief operating officer of the bank.

Concurrently, Frederic P. Daines becomes regional assistant general manager to administer branches in Metropolitan Toronto and environs, and E. John Kelleher assumes a similar appointment for branches in south-western Ontario.

The appointments establish three administrative regions for the 350 offices of the bank's Ontario division, which is directed by Edward A. Royce, general manager for Ontario, resident in Toronto.

Mr. Lesslie has been an assistant general manager of the Ontario division since 1964. He was previously superintendent of the British Columbia division in Vancouver, following service at numerous branches in Ontario and Quebec, and as assistant superintendent of the Ontario division.

The appointment of the new regional assistant general managers in the Ontario division is the latest development in a widespread reorganization of the Bank of Montreal which began with an executive realignment at the head office on January 1st.

New Hydro Office To Be Built At Frankford

Tenders are expected to be called soon by Ontario Hydro for the construction of a new office building and service centre at Frankford. The new building will provide needed facilities for staff and equipment and will replace the present rented quarters in the community.

In making the announcement, A. M. Pedersen, Manager of Hydro's Eastern Region, said the new building will be located at the southern limits of the Village, on the west side of highway 33, directly across from Hydro's Frankford generating station. The single-story building is expected to be of concrete block construction with overall dimensions of 128 x 61 feet. The new structure will be electrically-heated and fully air-conditioned.

Office and service facilities will be combined under one roof, with offices at the front of the building and the service area at the rear. A loading dock for trucks will be built as part of the building. Completion dates for the building have not been established, but it is expected that it will be ready for occupancy late this year or early in 1967.

B. G. Servos, Manager of Frankford Area, said the relocation of the office will not entail any additional travelling for customers of either Ontario Hydro or Frankford Hydro who have been paying their accounts at the office. "We expect that an agency for the collection of accounts will be established in the centre of town," he said. For the convenience of customers, collection points are located throughout the Area served from Frankford.

CPR To Close Sharbot Lake Branch Line

The board of transport commissioners has approved a CPR application to abandon a 14-mile branch line between Sharbot Lake and Snow Road on the Kingston sub-division. It was announced recently. The order is effective September 1st.

Local 171 Ontario Farmers' Union

Mr. and Mrs. George Williams opened their home for the May meeting of the Ontario Farmers' Union.

Mrs. Jeanne Williams spoke on the membership in Essex and that they signed up 86 members in one evening. Much discussion centred on milk. It was stated that all farmers who have not received their milk subsidy for 1965 should apply again at once for it. The feeling of the group was the general concern over milk, due to the cost of production, the price seems quite adequate.

The N.F.U. have presented their brief to Ottawa. Due to a non-confidence vote to be held that evening, the members felt that not enough time was given for the presentation of the brief.

A seminar was held at Bowmanville for one day. They will also be having study groups for their own education and it is to be on a university level. This will take place next fall and will carry on for five years.

Delegates will be appointed to go to Port Elgin in June.

The summer conference is to be held in Saskatchewan July 17-19. Coupons for drought assistance are being extended until May 30th.

The next meeting is to be June 14th at the home of Mr. and Mrs. Morton Reid.

The ladies served lunch and a social time spent.

Tells Work of Women's Institutes

(By Mrs. Percy MacMullen)

This Good Samaritan story was written by a member of Foresters Falls Women's Institute for the Home and Country magazine and appeared in the Fall issue of 1965.

In the April-May issue, 1966, of The Countrywoman magazine of the Associated Country Women of the World the story was condensed and at the May meeting of River Valley W.I. Mrs. Roy Tucker, who is the A.C.W.W. Secretary, read it as her message for that day. The story follows:

Late in 1964, a young woman living in the Foresters Falls community found herself in serious trouble. Her husband, following a very short illness, passed away leaving his young wife, Carolyn, twenty-one years of age, and three small daughters, aged two years, one year and an infant baby.

They had been operating and living on a farm owned by his family. The farm home, a mile from the road, was very old, with no hydro, little comforts of any kind and very cold and hard to heat. Due to living conditions, the children were in poor health.

The young widow owned only the three babies' cribs and her wedding presents. She had no money, no house, three babies with bad colds and no place to go.

Her parents live in Quebec and have twelve children of their own, some still small at home, so they were unable to be of much help.

The neighbours organized a canvass of the entire area for money, household furnishings and clothing. They collected over eight hundred dollars in cash, plus tables, chairs, lamps, radio, clocks, beds, springs, mattresses and clothes racks.

In short, after Carolyn had purchased a used stove and refrigerator, she had all the necessities and even a few luxuries.

Foresters Falls Women's Institute with nineteen members had very little money. However, the women scraped the bottom of their finances to get one hundred dollars and they purchased a local school building just recently closed. The building was in good condition, with hydro, hot and cold water on tap, oil furnace, tile floor and basement.

The neighbours donated labour and Carolyn purchased the material to divide the main body of the school in to three rooms, cut a second outside door in the side of the building and lower the ceiling. The result was a comfortable home. The family was moved in early in the winter and settled snug before Christmas.

The Institute is giving Carolyn a rent-free home and in return she will pay the taxes, hydro and other expenses and she may stay there as long as her present financial condition exists.

At Christmas time, individual organizations, church groups and Foresters Falls W.I. presented the family with hampers of food, clothing and toys. From near and far, gifts of used clothing and money arrived from other groups during the winter and included a sister branch over one hundred miles away, who sent a substantial cheque.

In this community, as in many others, no one is forsaken and this type of effort by the Women's Institute and the community not only helps some one in need but makes our community one we can be proud of and a good place to live.

LAVERAND AND OLD RAILROADS:

When the Commons study committee on Transportation and Communication met to consider adequacy of the present programme future plans for passenger service on the lines of the CPR to meet the effective demand of the public for such service, they opened a sachet redolent of lavender, livery stables and the lovely, lonely sound of a locomotive whistle.

The locomotive whistle no longer disturbs the poker players in the livery stables; the livery stable has disappeared or been converted into a broiler hatchery or machine shed.

Times, it seems, have changed. No one sounded sadder about the change than "Buck" Crump, one-time grease monkey who came up through the ranks to head Canada's largest railway. Proudly he outlined the steps his line had taken to meet changing needs, stressing the four vital elements: convenience, comfort, speed and cost to passengers.

When Joe Blow wants to go from point A to point B he has all these things in mind; and, unfortunately for the railway, usually decides to drive his own car or take a bus. The CPR did everything it could to change the mind of Joe Blow by offering him streamlined, stainless steel trains and scenic domes. Joe still preferred his chrome-trimmed jalopy.

The passengers, Crump sadly admitted, had abandoned the railroad, in spite of all its costly improvements.

What to do about it?

Joe Blow, naturally, would like to order the railway to keep operating just in case he takes a notion to use it someday. Joe, however, also wants low freight rates, and his own common sense tells him he can't expect the railways to lose money on passenger traffic unless they make up the difference elsewhere. Mr. Crump, who has railroading in his blood, assured the Joe Blows of Canada that the crack CPR transcontinental train, The Canadian, would continue "for years to come."

Could be but in Winnipeg central heat has had to throw in the towel because of gas. The blacksmith at Manitou finally laid down his sledge. The old gas lighter of long ago put out his taper. Roman Catholics dropped Latin. When did you last see a pair of spats?

Time, as somebody keeps saying, marches on. Canadians, like it or not, must march with it.

National Film Board Council For Stirling and Surrounding Districts?

Meeting on Monday, June 13th at Library — Organizations Urged to Attend

The Stirling Public Library Board is anxious to hear from all district organizations regarding a proposed film service for this area. A meeting with the district representative of the Federation of Film Councils for Eastern Ontario has been arranged for Monday, June 13th, at Stirling Public Library, commencing at 8.00 p.m. Such organizations as service clubs, church and agricultural groups, fraternal organizations, schools and so forth are invited to send representatives to this meeting.

The film service would provide a library of films on hand at the local library. The films made available would cover every possible subject of interest. In addition to the supply of film on hand, hundreds of additional films would be available for order through the film service. Another feature of the plan is the availability of projectors and screens along with the film itself. The Film Council would also train operators at no cost to the participating organizations.

At present, the services of the Film Council are available only in Belleville. This necessitates a great deal of extra travel and detail for local groups. Stirling and District has a great number of organizations who could benefit from a film service based at the local library.

In order to obtain the local service, the Stirling Library Board must enlist a membership of local groups large enough to make the plan economically sound, and to place it within the reach of the small budgets of a majority of those groups in this area. A final decision must be indicated to the Film Council not later than June 15th. The local Library Board is therefore most anxious to have all district organizations represented at their meeting on Monday, June 13th. At present, a yearly organization membership could cost up to \$20.00, however, if enough groups can be enlisted, this figure could be considerably less.

The local board has already been in contact with several local groups who have promised to send representatives to the meeting on the 13th. The Board extends a sincere invitation to all local and district organizations and individuals to investigate this proposal and be represented at the meeting in the Stirling Public Library at 8 p.m., on Monday, June 13th. Anyone requiring additional information may contact the Librarian, Mrs. Carleton Potts, or Board Chairman, Mrs. Doug. Patterson.

Hastings and Prince Edward Beef Producers Assoc.

A new area beef producers improvement association, taking in two Quinte district counties, was formed on Monday night, May 30th, as producers from Hastings and Prince Edward staged a "beef" banquet at the Club Canara in Belleville.

President of the new Hastings-Prince Edward Beef Improvement Association is Griffin Ketcheson, of Foxboro, with Ralph Richards, of Demorestville as vice-president. The secretary-treasurer is Douglas Tipper, agricultural representative for Hastings county.

The Association also named ten directors—five from each county. They are Ralph Richards, Howard Bellwood, Keith Gilbert, Harry Hudson and Ernie Roth from Prince Edward, and Griffin Ketcheson, Stu Cook, David Franks, Farleigh Vermilyea and Fred Preston, from Hastings. Charles Fargue, of Stirling, past president of the Hastings association, is also a member of the directorate.

Although Hastings beef producers have had their own county association for a number of years, this is the first time that producers from Prince Edward have been organized. Of the 50 members in the combined association, about one-third are from

Prince Edward.

It was suggested that the new association's program for its first year be confined to an annual banquet meeting, a bus trip or field day in the summer, a winter meeting or livestock conference and promotion of beef work at fall fairs and through 4-H clubs.

Kent Speaker

The guest speaker for the banquet meeting was George Morris, of Kent County, past president of the Ontario Beef Improvement Association.

Speaking on the economic production of cattle meat, Mr. Morris stressed the value of corn as feed, noting that it had a higher feed value than hay and grain, and could be grown more cheaply.

One of the reasons for the high cost of producing hay and grain was the machinery cost, which Mr. Morris said was approximately three times the cost of that required for corn.

"Is it any wonder that farmers are going broke growing hay and grain?" he said.

Mr. Morris admitted that corn was low in protein and in phosphates, but said both these could be added to the corn ration much more cheaply than they could be grown.

The importance of feeding all feed units produced was stressed by the speaker who said that corn cobs and stalks had good feed value.

"A big silo is the best machinery a farmer can have," he said.

River Valley W.I. June Meeting

Mrs. Jack Bush was hostess on Thursday for the June meeting of River Valley Women's Institute with seventeen members and one visitor in attendance.

Mrs. Glenn Bush chaired the meeting and Mrs. Sheldon McIntosh was musician.

Mrs. Allan McDonnell read an article which stated that Agriculture has been allotted the largest site at the 1967 Expo.

Mrs. Vernon Harry gave an interesting synopsis of Winnipeg, capital of the Province of Manitoba.

Mrs. Jack Bush read an article on Health and this centred on the work accomplished from the Christmas Seal fund.

Mrs. Percy McMullen stated that Miss Ethel Chapman, editor of Home and Country and author of a book, received an honorary doctorate degree at Guelph University on May 20th.

The UNESCO Coupon Plan for the Northern Canada Women's Institutes will close January 1st, 1967.

Mrs. Roy Tucker read an article from the A.C.W.W. magazine, describing the World Campaign for universal literacy. There are many ways to assist with this work but literacy must be the key which opens the door of new and wider learning and development.

Mrs. Gerald Brooks told of the re-

cent Achievement Day for 4-H Clubs. The River Valley Girl Friends Club has been invited to repeat their demonstration at Peterborough Fair. Connie Tucker was awarded County Honours.

Mrs. Roy Bush voiced thanks to all those who had assisted in any way to make the Tweedsmuir Tea a success. The total proceeds for the book is now fifty dollars.

Mrs. Roy Tucker, the new representative to Hastings Historical Society reported the May meeting and displayed pages from the Book about Belleville. Three other members attended—Mrs. Roy Bush, Mrs. Glenn Bush and Mrs. Roy Irvin.

The Pennies for Friendship were gathered. At the District Annual, Mrs. Tucker handed in \$15.25 for the year.

The July meeting will be in the form of a picnic dinner at Oak Lake on Sunday, July 3rd at one o'clock and everyone is welcome to attend and bring their food and dishes.

It was decided to order another pitcher with the various labels which had been handed in to the officer in charge.

Correspondence

The correspondence included a letter of invitation from the I.O.D.E. to attend Centennial Night on June 30th. A letter from Chatterton W.I. was read and several members signed the petition to have better facilities in the new wing of Hastings Manor at Belleville.

Further plans will be made re the swimming course for the children and the mothers will take turns chaperoning the various bus trips to Belleville.

R.V.W.I. will cater to a wedding in August and an executive meeting will be held later to complete plans.

Six dollars was donated to Stirling Fair Board Ladies' Division. This will be divided into three prizes for a Centennial cushion cover. There is no entry fee and it is open to any Institute member anywhere.

Programme

Mrs. Allan McDonnell convened the programme and opened with a poem. The members gave several centennial suggestions which would be of interest to tourists. Mrs. Norman Rosebush and Mrs. Charles Wilson gave the highlights of the recent District Annual held at the I.O.O.F. Hall, with River Valley W.I. as hostess branch.

Mrs. Glenn Bush thanked the Institute for her trip to Guelph and gave a very interesting account of the officers conference. There were 600 delegates and on Thursday, 2,000 women attended the reception for Mrs. J. Philip Matheson, Oyster Bed Bridge, Prince Edward Island, President of the Federated Women's Institutes of Canada. There were many outstanding messages which included promotion of safety on the farm.

In 1967, the Province of Ontario will observe their 70th anniversary

since Adelaide Hoodless organized the first Institute at Stoney Creek, Ontario.

In the group discussion, many parliamentary points were stressed and also the value of the Hand Book.

The convener closed her program with a contest on "Tourism", which covered 48 items of interest in the Stirling area.

Mrs. Vernon Harry voiced appreciative thanks to the hostess, those who gave reports and all who contributed to the success of the afternoon.

Mrs. Ernest Carr, Mrs. Roy Bush and Mrs. Charles Wilson served doughnuts and cheese.

PARENTS' TURN

June is an exciting time of year — a time when one quarter of the entire population, the kids, are waiting with frazzled nerves for the end of the school year. With it comes a blessed release, and a holiday longer than most adults enjoy throughout their entire working lives.

The kids, of course, are happy about the prospect of a two-month summer holiday. And most of the adults agree that it's wonderful for them.

What some people have come to realize is that what is wonderful for the children is not necessarily wonderful for adults. And two months of glorious freedom for the children may prove to be a traumatic experience for the parents.

But before parents begin to feel too sorry for themselves, they should stop and consider the situation. Too often they feel discriminated against, just because modern psychologists trace everybody's troubles back to their parents and home life.

Although two solid months of children is enough to make most parents quail, it's only fair, really.

After ten months of children six hours a day, the people who really need two months away from it all are the teachers.

They've earned every moment of it. The only trouble is, most of them have children of their own.

"All things come to him who waits — provided he knows what he is waiting for," said Woodrow Wilson.

Unit Three of St. Paul's United Women held their monthly meeting on Tuesday evening, May 17th, at the home of Mrs. Don Williams.

Mrs. J. McCaughen welcomed a good turn-out of ladies with an opening prayer and a poem entitled "What Counts?". The devotional period was given by Mrs. Grant Richardson regarding "Prayer". The offering was

received and dedicated.

Mrs. McCaughen reminded the members of the bazaar for overseas relief which was packed on May 25th. The visiting question was discussed followed by a prayer for the sick and shut-ins.

A delightful piano duet was given by Mary Potter and Elaine Williams, entitled "Jolly Darkies".

A very interesting programme was conducted by Mrs. Don Williams on the topic "Brazil" and coloured slides were shown.

Mrs. Eileen Bateman read chapter 13, "The Indwelling Christ", from the book, "Jesus Christ and the Christian Life". Discussion groups were then given searching questions to answer and the meeting was closed with a prayer.

A social half hour followed. Mrs. Don Williams showed colourful slides taken on their recent trip to Nassau. Mrs. Guy Bradshaw thanked all those taking part in the evening's activities.

Warden Hall Calls Session For June 9th

The summer session of Hastings county council has been called by Warden Clayton Hall for June 9th and 10th with a possible evening sitting on the 9th.

Reports from the various standing committees will be heard, including the Hastings Manor committee, the special committee on salaries, finance and public property, roads and bridges, the secondary school committee and the county board of health.

At the last session of council there was a spirited discussion on school matters following the report of the county Public Schools Consultative Committee and apparently many questions are still unanswered.

The committee report dealt with larger school areas and new regulations whereby township school areas with less than 100 pupils must be attached to an adjoining area.

Since the last session county clerk treasurer Carl Bateman reports he has been asked many questions with respect to the school matter. The questions were recorded and were later presented to the Department of Education by Warden Hall and Mr. Bateman.

A copy of the questions and of the answers given by the department officials has been forwarded to each county councillor.

Census Takers Tackle Job

About 30,000 men and women are on the biggest mass visitation of Canadian homes since the 1961 census. Over the next week or 10 days they will conduct a count of the population, collect information on the agricultural community and lay the groundwork for a census of merchandising establishments later.

The information they seek is less detailed than the major census taken every 10 years. The last one was in 1961.

The census-takers will list household locations, size of land-holdings, type of dwelling and whether the householder owns or rents the premises. They will collect names, relationship to the head of household, sex, age and marital status.

In agricultural areas, greater detail will be sought such as value of land, areas sown in various crops, market value of machinery, poultry and livestock population, milk sales, part-

time work, employment of hired hands, value of farm products sold and spending on wages, rent and taxes.

THE BIBLE TODAY

Scraps from Egyptian rubbish heaps, bits from a wastebasket in a Mount Sinai monastery, an almost illegible Greek manuscript at Tiflis (U.S.S.R.); manuscripts from a New York City museum and the private library of a Swiss banker; countless fragments viewed on thousands of spoils of microfilm — that is what goes into the preparation of a New Testament in the original Greek.

After twelve years' work, an international committee of scholars has now completed a new edition of the Greek New Testament, sponsored and published by five Bible Societies (American, British, Dutch, Scottish and Wurttemberg, Germany). It has

been set in the United States and printed by the Wurttemberg Bible Society.

The new edition has two main purposes: to provide scholars with a new text and a new selection of variant readings which are representative of modern developments; and to provide students and Bible translators with a new tool with which to do their work more accurately. The new text is not a radical departure; it is a conservative revision in the tradition of the Wescott-Hort and Nestle-Aland type of text, both of which have been widely used for decades.

The editions includes 1,400 alternative readings in foot-notes, each with supporting evidence. A supplementary volume giving the committee's discussion notes is also being prepared.

School To Open At 1 P.M. During June

The school hours for June 1966 were discussed. It was generally agreed that the Board preferred the pupils to have one hour and a half at noon. However, during the month of June only and to assist the pupils to receive extra help from the teachers from 3.30 to 4.00 p.m. and to alleviate the heat problem on the west side of the school, it was moved by Mrs. Robert Luery and seconded by Jack Weatherall that school re-open for June at 1.00 p.m.

The Teachers' Committee reported that they had received a letter from the Grade teachers requesting a sal-

ary adjustment for 1966-67 term of \$200.00 and a letter from Mrs. Sills in connection with her salary for Principal supply.

These two items were discussed in detail and as a result it was moved by Jack Weatherall and seconded by Mrs. Robert Luery that the Chairman and Teachers' Committee meet with the staff and offer them a \$100.00 salary adjustment over and above the annual increment of \$200.00.

Moved by Dr. Peter Briggs and seconded by Ralph Jeffs that the Principal's supply salary be raised to \$20.00 per day.

It was moved by Allan Munro and seconded by Jack Weatherall that the following accounts be paid:

Mouck Hardware, \$165.92; S.R.A. Ltd., \$9.75; Jack's Appliance Shop, \$65.00; F. Armstrong & Son, \$49.95; Ontario Intelligencer, \$6.60; Caribonum Ltd., \$11.75; Franklin Coach Lines, \$37.00; Stirling Hydro, \$70.01; M. Hastings North District W.I. 58th District Annual

Over ninety delegates and visitors from the fourteen branches of the Hastings North District of Women's Church, Friday, May 27th, for their 58th District Annual Meeting. Thirteen of the fourteen branches were represented.

These were registered by Mrs. Leslie Holmes and Mrs. Roy Rollins and warmly welcomed by Mrs. R. A. Sager and Mrs. J. Alexander Sr.

The meeting was opened by the President, Mrs. B. Haggerty, of West Huntingdon. With pianist, Mrs. Fred Bailey, Cooper, Mrs. Allan Franks, of Madoc, led in singing "O Canada" and "Song of All Nations".

A member of Rylstone Branch replied to the address of welcome by Mrs. Ed. Alexander, president of Queensboro Branch.

Minutes, financial and auditors' reports were given and accepted.

Mrs. Haggerty thanked the Ivanhoe Branch for the corsage presented to her before the meeting and graciously thanked all for the support given her during the past year. She made helpful suggestions for the Institute members.

An informative, helpful address and report of the Officers' Conference was given by Mrs. Rex Rollins, Cooper, Representative of the Federation Board.

After a short sing song, the Standing Committee gave most encouraging reports of the work done and money spent in helpful projects in communities and district.

At noon, a delicious dinner was served by the Queensboro ladies. Following the dinner, a successful Bazaar Sale of articles donated by the W.I. Branches was held. Proceeds were given to the District Funds.

The roll call at one-thirty was answered by the Convenors of Agriculture and Canadian Industries, with a short talk on the theme, "In Youth We Learn — In Age We Understand". These were most interesting with many viewpoints expressed.

The Memorial Service in honour of the members deceased since the 57th Annual was conducted by the Ivanhoe Branch.

Miss Monroe, the Home Economist, introduced the guest speaker, Mrs. Thompson, of Guelph, who discussed Programme Planning. This address was interesting and informative. Many helpful suggestions were given regarding programme planning and W.I. work.

The appreciation of the audience was expressed by the President. The Home Economist of the Home Economics Extension Service, Miss Monroe, reported reviewed and explained the work of the Girls' Clubs — their courses, achievements and rewards. Much credit and appreciation is due Miss Monroe, the Girls' Clubs Leaders and the girls of the various Clubs.

The collection was gathered by the Marmora Branch.

The District Curator, Mrs. Clayton Burkitt gave her report and asked that next year the Institute bring their Tweedsmuir books to the annual meeting.

A humorous skit, revealing the originality and skills learned in the course "Hats For You", was given by the Madoc Branch.

New Eldorado Cheese Factory

Following an expenditure of approximately \$115,000 in new plant addition and equipment, the enlarged Eldorado Cheese and Butter Co-Operative factory is again back in full scale operation.

The plant re-opening was originally scheduled for April 1st but due to unforeseen delays didn't actually open for the season until May 16th.

The enlarged Eldorado factory has a capacity of 96,000 pounds of milk per day or almost double the former 50,000 pounds.

The new addition to the south of the original plant, was erected by Mr. Wilfred Spencer. The addition provides for an enlarged make room, a new receiving room where milk is weighed, tested and clarified before entering the vats.

Included in the new factory equipment is a new bulk tank truck, which will pick up milk from an increasing number of patrons, who are adopting bulk cooling tanks for the handling of their milk.

OF MANY THINGS

(By Ambrose Hills)

IS LABOUR LEADERSHIP SLIPPING?

In my writings recently I have praised Canadian labour for having used more common sense and restraint than American labour, and I felt this was helping Canada to enjoy prosperity. I am very much afraid this situation is changing and that labour has started to slip. Unruly and unreasonable groups within the unions are getting control and all sorts of unreasonable demands are being made.

For example, when the union negotiating committee of the Ontario Teamsters' reached an agreement with management, it was turned down by a vote of less than half the membership and as a result the strike continued with its drastic effect on the economy of that province.

It may be wondered if the vote would have gone the way it did if it had been a truly secret, democratic ballot, without any intimidation or coercion of members by the rebel group within the union.

If labour leadership is losing control and the wage structure of Canada is going to be determined by the radical groups within the unions, then Canadians have real cause to be frightened. Prices are jumping fast enough as it is. If labour goes hog-wild, we will get a dose of inflation that will bring hardship to thousands upon thousands of citizens.

What can be done about it? My view is that each of us ought to write to, telephone, or personally buttonhole our Member of Parliament or MLA and make it quite clear that

we want governments to keep a sharper eye on labour practices. That we want the politicians to stop being so rabbit-scare of the unions. I would vote for any politician of any party who would have the fortitude to tell the unions that they have to behave sensibly or the labour laws will be toughened up. Governments get tough with business, so why not get tough with labour?

Because the Canadian economy is at its peak it is extremely sensitive

and it wouldn't take much to bring everything crashing down around our heads. The best labour leaders realize this; it is the radical, irresponsible elements within the unions that need to be disciplined. If the leaders can't do it, the law will have to!

Chairman Bastedo then presented crests to the Novice All-Star players and coaches Bill Blakely and Bob Green.

A film followed, which was greatly enjoyed by all the boys as it was the "Players 200" car racing. The film was very colourful as well as entertaining and action-packed.

Ross Kirm thanked the projectionist, Stew McArton.

Following the film, the local league champion Noble's Drugs team was called forward by coach Doug, Detlor and presented with the Legion Trophy and championship crests by Legion Branch President Bill McMullen.

Doug, Patterson, the President of the O.M.H.A. spoke briefly to the boys and mentioned some changes in rules that had been recently adopted by the O.M.H.A. Doug also outlined the plans for the C.A.H.A. to have a midget championship tournament in conjunction with Canada's Centennial Year and pointed out that the final games for a Canadian champion will be played in Kingston, Ont.

The presentation of the Major S. Fraser Trophy followed, by chairman Bastedo, to Ross Kirm and his "Duffin's team, local league Pee Wee champions. Unfortunately, crests which had been ordered for those players had not arrived and will have to be given to the players at a later date.

Doug, Patterson then presented crests to the Legion Pee Wee All-Star players and coach B. Bastedo and manager Ross Kirm. Doug mentioned that Bancroft Pee Wee's had gone to the Provincial finals but were beaten out by Forest, Ont., Pee Wee's. Stirling Pee Wee's had defeated and tied Bancroft were undefeated otherwise, Bancroft were undefeated otherwise, except by Forest.

The boys were then treated to cokes and potato chips and reminded to have their skates sharpened for an earlier start next winter.

Centennial Caravan To Visit Marmora

The communication from Marmora Village outlined plans to date for the visit of the Centennial Caravan on June 27th, 1967, to their Village. This will include a large exhibition of Canadian history. A parade and other events are also planned. Marmora Village also extended an invitation to Stirling to participate in this Centennial Project.

Council was very interested in the project and on motion of Councillors Glendinning and Anderson, the invitation was accepted and the information will be passed on to the Chamber of Commerce, who will be asked to work with Council.

Hisey and Barrington, Consultant Engineers, informed Council that they expected the plans and specifications for the proposed sewer extensions in the Village would be ready by mid-July and following this, tenders will be called.

The Police Report for the month of May submitted by Chief C. E. Hicks was approved on motion of Councillors Faulkner and Hullin.

Paving Tenders

Two tenders for paving of various streets were received. The lowest tender, that of Hastings Asphalt Ltd., Belleville, for \$6.75 a ton for hot mix paving was accepted on motion of Councillors Anderson and Faulkner. H. J. McFarland Co. Ltd. also submitted a tender at \$8.85 per ton.

Bridge Painting Tender Tabled

Only one tender was received for the painting of the centre bridge on No. 14 Highway, and this was held in abeyance for the time being.

Sidewalk Tenders

The tender price of 52¢ per sq. ft. of Wilfred Spencer & Son for sidewalk repair was accepted on motion of Anderson and Faulkner. Other tenders received were: Riverside Construction, 54¢; Doug. Morton, 54¢; McIntosh-Maizes Construction

To Preach At St. John's

The Rev. W. C. Cox, B.A., Minister of the Rawdon Circuit of the United Church of Canada, will be the guest preacher at Evensong at St. John's Church, next Sunday, at half-past seven.

To Observe 50th Anniversary

Congratulations are extended to Mr. and Mrs. James Chambers, John St., who will observe their 50th wedding anniversary on Friday, June 17th.

Engagement

Mr. and Mrs. David Nunn, Stirling, wish to announce the engagement of their youngest daughter, Joan Emily, to Mr. Dennis Wayne Roe, son of Mr. Clarence Roe, Oshawa, and Mrs. Clarence Roe, Ivanhoe. Marriage to take place on Saturday, July 16th, 1966, at two p.m. in St. Paul's United Church. 24-1p

Restrict Flower Containers at Cemetery

A lengthy discussion regarding the placing of artificial flower containers at Stirling Cemetery was held. With an increased number each year, the caretaker was finding it very difficult to cut the grass. On a motion of Glendinning and Hullin, these will not be allowed at the cemetery from May 1st to November 1st. The resolution appears on page five of this edition.

Propose Closing of Bridge

It was the opinion of Council that the bridge on Alberta Street should be closed to vehicular traffic. Due to the age and construction of this bridge, it is not considered safe for vehicular traffic and with the new two-lane bridge over the dam on James St., it was felt that this structure could be barricaded so as to be available to pedestrians only. On motion of Anderson and Faulkner, a by-law to this effect will be drawn up and the necessary notice be published (see page five).

Close Portion of Street

By-law No. 682, closing a portion of George St., lying between properties of the estate of the late Carlton Wright and Mrs. Helen Nelson, east of Henry Street, was given its several readings and passed with Councilor Anderson in the chair. This parcel of land will now be offered to the parties concerned.

Front Street West, from the Village limits to Stan Meeks' residence, came up for discussion. Council plans to widen this road, but for this year, it was decided to spread a layer of rock dust and calcium chloride. This will alleviate the dust problem and make the road surface smoother for this year.

W.M.S. Kingston Presbyterial Spring Rally

Recently the Women's Missionary Society, Kingston Presbyterial of the Presbyterian Church in Canada, held its annual Spring Rally in St. Peter's Presbyterian Church, Madoc, with nearly one hundred women in attendance. The theme for the day was "Opportunity" — "As we have therefore opportunity, let us do good unto all men", taken from Galatians 3:10.

The call to worship was given by the president, Mrs. J. Wallace, of West Huntingdon, followed by the worship service conducted by Mrs. G. H. Lyons, of Kingston, during which the hymn "I Love To Tell The Story", was sung. Mrs. J. Bailey, President of the W.M.S. of St. Peter's Presbyterian Church, Madoc, extended a warm welcome to all.

Miss M. McFarlane, Kingston, reported for Synodical, and Mrs. W. H. L. Smith, Kingston, gave the treasurer's report. Council highlights were given by Mrs. V. Weir, Belleville. Mrs. J. McInroy, West Huntingdon, gave a brief description of the literature which was on display. The hymn "Fight the Good Fight" was sung and Mrs. W. M. Barlow, Belleville, closed the morning session with prayer.

After a delicious luncheon, served

by the ladies of the hostess church, Miss Hildur Hermanson showed her very colorful slides of the country of Formosa, where she laboured so long and so lovingly as a missionary nurse. The afternoon session commenced with a worship service, conducted by Mrs. J. B. Miller, assisted by Mrs. Grant Devolin, of Belleville. A solo, entitled "God Hath Not Promised", was rendered by Mrs. Milton Shaw, West Huntingdon, accompanied at the piano by Miss Bessie Fleming, also of West Huntingdon. The offering was received by Mrs. Donehue and Mrs. D. Kernohan, of Madoc, and dedicated by Mrs. W. H. L. Smith of Kingston.

Miss Frieda Matthews, Belleville, had the pleasure of introducing the guest speaker, Miss Hildur Hermanson, a retired missionary nurse from Formosa, who gave a most interesting talk of her experiences. Miss Hermanson also stressed the importance of keeping our missionaries constantly in our prayers. Mrs. Bert Cook, Stirling, thanked Miss Hermanson for her message and also thanked all who had taken part and who had helped in any way to make the rally a success.

A "Question Box" period followed conducted by Miss Frieda Matthews. Mrs. Ross Manthorpe, Roslin, reported on her enjoyable week at the Training Centre held at Albert College, Belleville, last summer and urged as many ladies as possible to

take advantage of this year's session in July.

After the singing of a hymn, the Rev. V. Tozier, Madoc, pronounced the Benediction.

Wednesday Night League Enjoys Smorgasbord

Wednesday evening, May 18th, fifteen lady bowlers journeyed to Havelock to partake in a smorgasbord supper to wind up the bowling for the season.

After a thoroughly enjoyed supper, the bowlers came back to the Stirling Bowl-O-Drome and President Emma Roe distributed the prizes to the winners.

The teams finished very closely in points this season, as follows: Spark Plugs, 95; Bouncers, 90; Gemini, 86. Players were divided into three groups to enable lower average bowlers to win prizes, too.

A Group — High average, Rosa Spry, 229; high triple, Verna Woodbeck, 810; high single, Ivy Poste, 302.

B Group — High average, Marilyn Lanigan, 178; high triple, Emma Roe, 670; high single, Grace Donohoe, 288.

C Group — High average, Sylvia Edgar, 141; high triple, Grace Tanner, 470; high single, Eva Parker, 193.

Crests were presented to the champions and B.P.A.O. crests to Rosa

Spry and Verna Woodbeck.

Vivian Juby was given a perfect attendance. Gifts were presented to Vera Cooke, as Secretary; to Joan, who acted as a spare; and Lorraine Green, who bowled part of the season. Due to the small attendance of members, the election of officers will take place in the Fall.

The remainder of the evening was spent in bowling. Some of the girls discovered that there are different ways to bowl, which caused a hilarious evening.

After bowling, Ivy Poste served a very enjoyable lunch of coffee and cake.

The Wednesday Night League wishes to thank anyone who donated prizes or helped in any way to make their evening a success. See you next year, girls.

The Belittlers

(By Ethel Chapman)

"I never liked her much," said a woman of her one-time neighbour, "She was always belittling. No matter how much people deserved a little praise or pride in themselves, Almira would try to take it away from them."

"A girl from up-country married one of our boys and at their housewarming everyone thought how homey she had made their place; but Almira said: 'She must have had a ball with all that new furniture. From what I hear she never had much at home.'"

"When young Jim Trimble was made an elder of the church, we were all pleased about it. Everyone liked Jim. He had been sort of wild as a boy; then suddenly he seemed to come to himself. We had been troubled about a youth gang that was getting a hold in the neighbourhood and we couldn't do much about it; but the boys listened to Jim; and there are fathers and mothers who will thank him to their dying day. Not so Almira: 'I wonder,' she said at one of our meetings, 'I wonder if it's wise, setting up these supposedly reformed characters as models for youth. What's bred in the bone... I always say.'"

"Someone remarked about the way a woman with five small children brought them to church every Sunday, neat as pins and playful as kittens. Almira said, 'Wouldn't it be better for anyone with a family that size to stay at home with them and not spoil the service for everyone else?'"

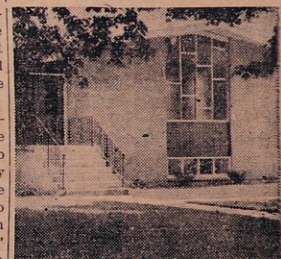

Kindred spirits of Almira — though they would feel insulted to be likened to her — are the cynics who never bestir themselves in any cause but are quick to belittle those who do. This may be an attempt to justify their own ways, for a man who likes to laugh at "do-gooders" may just possibly not be doing much good himself.

There are those who make light of old traditions, who see only "back-

wardness" in the generations before them. Ontario has two native sons highly successful in their professions and well-known as writers. Each has written a book about life in the rural community of his youth, but their interpretations are very different. One pictures his old neighbours as narrow, miserly, bigoted, dirty and not too bright. (Incidentally the locale, even in that day, was generally considered one of the progressive parts of the province.) The other man writes of customs certainly quaint by present standards, of homes without modern comforts, of people with some prejudices and limited education. But when you put down the book you have read a story of warm family life, of good neighbors, of religious tolerance in spite of denominational loyalties, of a social life out-dated but pleasant in its day — all because the author had an artist's gift to appreciate what others might not see.

And there is the crushing belittling of the seriousness of children, the dreams of youth. A little boy who finds school difficult has tried hard; his report shows improvement and he takes it to his father hoping for some little commendation, only to be told: "Sure, it's some better but a long way from what it ought to be. Look at your sister's..." A high school boy has his first date coming up and with the nicest girl in school. Nothing as important as this has ever happened to him before. Most likely his mother understands, but in a teasing family it becomes a hilarious joke, until something as delicate as the wings of a moth is battered into the mud... In an amateur opera a girl who wants a singing career gets an ovation from the audience that sets her hopes soaring until a self-appointed critic tells her: "I'm so glad they gave you that part. It always goes over. It's the catchy tune, I think — an excellent number to give a young singer confidence. And you sang it very well, for a beginner."

So they go, the belittlers, leaving misery behind them in a world where everyone needs encouragement, everyone needs compassion, because, as one wise man put it, "in one way or another, everyone is having a hard time."

Form Administration Area For County Public Schools

Public school educational problems and larger areas of schools administration were again the topic of discussion on Thursday afternoon at Hastings County Council with members taking up where they left off last April.

When the all-afternoon talks were over, Council had formed a public schools administration area taking in 13 North Hastings Townships, and in Centre Hastings had joined the Hungerford Township area with that of Tweed village.

A recent Department of Education regulation calling for all township school areas with less than 100 students to be joined to larger areas, was the basis for the discussion.

Stirling Reeve D. W. Rodgers, and Chairman of the Public Schools Consultative Committee, noted that most of the schools in North Hastings were comparatively new and it would be only sensible economics to let them serve out their usefulness. It is unlikely that any of the present schools would be closed.

He said the situation was entirely different in Tweed and Hungerford where additional school accommodation was urgently needed.

Tweed Reeve Guy Hughes moved that the Hungerford Township School Area be joined with Tweed and after some discussion the motion was carried.

Mr. Rodgers said the move should be considered only as a "stop-gap" measure and urged that council keep formation of a Centre Hastings School Area in mind.

The balance of the public schools consultative committee, recommending formation of a Centre Hastings public school area and South Hastings

area taking in the three bottom townships, was tabled until council receives the report of the secondary schools consultative committee headed up by Marmora Reeve William Shannon.

Mr. J. C. McLeod, secondary schools inspector for the district, commented the public schools consultative committee for their "fine job" and expected the report of the secondary schools consultative committee when it is received next year would be equally as informative.

He said the future demand in all probability would be for more composite secondary schools.

CARD OF THANKS

May I use the columns of your paper to express in a very small way my deep gratitude to the Rev. F. F. Downing and so very many others of Stirling and Frankford for prayers and good wishes received during what was, for me, a prolonged stay in hospital. I am finally home again, but no doubt it will be a little while before I pick up too much speed again. However, I cannot begin to describe how much the good wishes of so many Stirling friends have meant, both to Mrs. Anderson and myself. Nor could I undertake to write a personal note to each as I would like to do. Thank you again.

Trent University Archaeological Excavation

Trent University is conducting a programme of archaeological excavations during the present month, Professor T. H. B. Symons, President and Vice-Chancellor, announced recently. The excavations, which are the first carried out independently by Trent University, will explore a site between Havelock and Campbellford on the Trent River, which is thought to date from about 3000 B.C.

The University's first archaeological expedition, which is employing six Trent students, is led by Professor R. Vastokas, Assistant Professor of Anthropology at Trent University. Professor Vastokas, who studied at the University of Toronto and at Columbia University, has worked with the Archaeological Division of the Royal Ontario Museum and the National Museum of Canada on the investigation of Indian and other historic sites at Rice Lake, Pickering, James Bay, Lake of the Woods, Lake Superior, Lake Winnipeg and in the

Yukon Territory. He was a member

of the expedition which explored the Serpent Mounds near Peterborough in 1957. The University's archaeological programme is under the overall direction of Professor Kenneth Kidd, the Chairman of Trent's Department of Anthropology.

The majority of present finds at the site which is now being explored indicate the culture known to archaeologists as the Archaic. The people of this culture were Indians who lived entirely by hunting and fishing, did not possess the art of making pottery, and lived a simple but difficult life.

The University has received a grant from the Quetico Foundation to assist with this research project.

Use 'Mrs.' And Husband's Name

This is repetition, but it's a matter which has been brought to our attention several times recently.

Why, we are asked, do women persist in using their own names after marriage, using "Mrs." before them. For example, we read "Mrs. Mary Smith, Mrs. Jean Jones" etc. Says one questioner on the subject, "How could a woman be her own mistress?"

It could be they consider they are their own bosses, but that's an entirely different matter. When a girl marries she's usually mighty pleased to become Mrs. John Smith or Mrs. Jim Jones. She was doubtless walking on air when she tripped down the aisle to become Mrs. Smith or Mrs. Jones or what have you. So she's now Mary Smith or Jean Jones but when she's "Mrs.", it's her husband's name she uses . . . Mrs. John Smith, Mrs. Jim Jones.

And, if and when she becomes a widow, she's still Mrs. John Smith or Mrs. Jim Jones. "Till death do us part", may change her status from a married woman to a widow, but it does not change one's name. Many an added yet needless heartache is caused by dropping the use of a husband's Christian name and substituting the widow's. It's downright cruel!

So remember gals, when you have a husband, show you appreciate the fact by using the name it became

your privilege to use when you married. And don't turn the knife in the heart of someone who's lost her greatest earthly possession by cutting out his name.

Newspapers are often the great offenders in this respect. But copy comes in this way and who has time to check to find out the husband's names of all the women's names which come in one's copy written this way?

It may sound more informal and friendly to use one's Christian name, but if this is the object, the "Mrs." should certainly be omitted.

It even irks the writer to have to sign business documents Mrs. Ina G. Scott, as is sometimes necessary. It seems to take some of the "fire" out of it to bracket the "Mrs.", but we still don't like it.

Maybe it's the trend of the times but according to the authorities, it's improper.

Funeral of Mrs. Garnet Cassan

The funeral of Mrs. Eva J. Cassan, of Campbellford, who passed away in her 67th year on Tuesday, June 7, 1966 in Campbellford Memorial Hospital was held on Friday, June 10, at the Bennett-Weaver Funeral Home, Campbellford. Rev. Dr. D. M. Smith of St. John's United Church officiated. Burial was at Mount Pleasant Cemetery, Campbellford.

Mrs. Cassan was born and lived her early years in Rawdon Township and was the daughter of the late Mr. and Mrs. Cornelius Bedell. She resided in Campbellford the past 46 years and had been in failing health the past 11 years.

Mrs. Cassan was a member of St. John's United Church, Campbellford. She is survived by her husband, Garnet Cassan, one son, Jack, of Weston and one daughter, Mrs. Bruce (Pauline) Bishop, Belleville; also two brothers, Blake Bedell, Vancouver, and Cleo Bedell, Stirling, and two sisters, Mrs. Stanley (Bessie) Johnston and Mrs. Fred (Grace) Treverton, both of Belleville.

The bearers were: Mark Bishop and Robert Cassan (grandsons); Earl Craighead, Laverne Souch, Clayton Dummit and Thomas Mein.

your telephone manager
by R. W. Carleton

I was chatting not long ago with some of the people responsible for planning the Telephone Association of Canada Pavilion for Expo 67. And, I was fascinated with the project. The major telephone companies in Canada are working as a team in this project. Site of the pavilion, which is now nearing completion, will be next to one of the exhibition theme buildings, "Man The Explorer" on Ile Verte, the man-made extension of St. Helen's Island in the St. Lawrence River. The main external feature of the pavilion, a large "drum" in the centre of the building, will house a theatre specially built to show a spectacular film of Canada and its people. The Walt Disney Circle Vision 360 degrees technique will be used for the first time in Canada. The huge screen completely surrounds the viewer who will feel part of the unfolding panorama. Children will not be forgotten and special attractions are being planned for them in the Enchanted Forest. Visitors will also have a chance to see communications services of the future. I hope you are planning now to visit our Telephone Association of Canada Pavilion when you're at Expo 67 . . . I am.

Before you start on your summer vacation, whether it's for two weeks or two months, please be sure to phone cancelling all deliveries to your home. Milk bottles and newspapers on the doorsteps tell burglars that there's no one at home.

It sounds incredible now, but back in the early days of the telephone, people had to shout to be heard at the other end of the line. And telephone lines didn't cover many miles in those days either! Today, you can phone all the way around the world, talk in a natural voice, and be heard clearly and easily. This kind of improvement doesn't happen by accident. It's the result of constant research and development in the communications field. In fact, improvement in telephone communications is a continuing process. Talking directly into the mouthpiece helps give your voice greater clarity and just the right voice volume. You can talk in a natural voice and make the most of the wonderful convenience and dependability of your telephone.

Governments Will Buy Uneconomic Farms

The federal and Ontario governments have agreed on a program to buy up uneconomic farms in the province and turn them over to other farmers to produce economic units.

The far-reaching program under the Agricultural Rehabilitation and Development Act was announced by Forestry Minister Sauve and federal and Ontario officials recently.

It also involves rehabilitation, re-training and financial grants where necessary to farmers displaced under the program.

About half of Ontario's 90,000 commercial farms would be eligible for government purchase under the program, although the \$7,200,000 set aside for this purpose until 1970 will involve a much smaller percentage.

The program is expected to have the greatest impact in the 11 eastern counties where studies have shown that 14,000 farms are inadequate as income producers. They could be turned into 8,000 economic units.

Mr. Sauve told a press conference that agreements to enlarge and consolidate farms had been signed earlier with New Brunswick and Nova Scotia, but they did not include the rehabilitation provisions of the Ontario agreement.

He said this is something new. The aim was to ensure that farmers taken off the land are looked after.

The rehabilitation section of the program comes under manpower use arrangements which are not in effect at the time of the earlier agreements.

Overall, "the program is designed to make possible the enlargement of uneconomic farm units to a size that will give a satisfactory income to the operator," Mr. Sauve said.

Refers to Studies

He said studies have shown that significant increases in the farmers' gross income will depend largely on farm enlargement.

Uneconomic farm units will be bought up by ARDA as they come on the market for sale. There would be no expropriation. The purchased land would be leased to a farm operator who wanted it on a long-term basis and the operator would have first option to purchase it.

Rylstone U.C.W. Spring Tea

On Wednesday afternoon, June 8th, Rylstone United Church was the scene of the annual Spring Tea and Bazaar, sponsored by the U.C.W.

There was a good attendance of ladies from Stanwood, St. Mark's Church, Bonarlaw, Spring Brook, Wellman's, Hoards and Zion United Churches and the Gospel Hall, Rylstone.

Though rain threatened several times, the weather was pleasantly cool after the hot spell. Bouquets of lilacs in several shades decorated the altar.

Mrs. Ross Dickie, president, was in charge of the programme and opened with a short reading and prayer and the hymn "Who Givest All". Mrs. Clarence Thomson read the Scripture passages from John and the hymn "O Worship the King" was sung. Mrs. Wilfred Spencer introduced the guest speaker, Mrs. Maurice Clancy, of Ivanhoe, who gave a very interesting talk, entitled "Other Half". She was thanked by Mrs. Dickie and Mrs. Ray Stewart presented her with a gift from the U.C.W.

Mrs. Ray Stewart and Mrs. Bob Spencer gathered the offering and a portion of the hymn, "We Give Thee But Thine Own" was sung. Mrs. Ellis Jones played piano accompaniment for the hymns.

Mrs. Everett Parr, of Hoard's, read "Mistress of the Manse, Can You Quilt?"; Mrs. Arthur Brown, St. Mark's Anglican Church, Bonarlaw, read "Wondering Thoughts"; Mrs. Clarence Thomson, Rylstone, gave an organ solo, "Onward Christian Soldiers"; Mrs. Ernie Rowe, Stanwood, read "An Irritated Oyster"; Mrs. Jim Spry, Spring Brook, gave a piano solo, "Standing on the Promises" and "When the Saints Come Marching In"; Mrs. Alfred Akins, Wellman's, read "Discouragement"; Mrs. Gordon Apps issued an appeal for the renewal of subscriptions for the Observer.

A roll call was taken of the different Societies and the programme closed with a Benediction by the Rylstone President.

Lunch was served in the auditorium by the hostesses.

The bake table, sewing, novelties, plant table and "touch and take" table were in charge of Mrs. Clarence Thomson and Mrs. Ellis Jones, assisted by Mrs. James Legge, Mrs. Ray Stewart and Mrs. Austin Dunk and others and were well patronized.

A Bible contest was conducted, after which Mrs. Kenneth Weaver read a paper on the theme "The Church in Today's World."

Mrs. Burton Sharpe and Mrs. Irvin Potts served fruit bread and cheese and all enjoyed a social half hour after which Mrs. Herbert Smith voiced appreciative thanks.

Eggleton U.C.W.

The June meeting of the Eggleton U.C.W. was held at the home of Mrs. H. Ashley on Tuesday afternoon with ten members present. Mrs. Harlow opened the meeting with the Call to Worship, prayer and a hymn.

The treasurer gave a gratifying report of the Cemetery Bee dinner held at the Church. Mrs. Harlow was appointed to attend the Stirling Film Council meeting on June 13th.

A discussion was held on having a gathering early in July for the children of the community.

Mrs. F. Stapley, programme convenor, then took charge of the meeting. The devotional period was conducted by Mrs. K. Johnson and Mrs. Murney Kirkey. The offering was dedicated with prayer by Mrs. Stapley. Interesting readings were given by Mrs. F. Smith and Mrs. Bruce Stapley. A splendid paper, prepared by Mrs. C. Lansing was read by Mrs. F. Stapley.

The meeting was closed with prayer by Mrs. Bridges. The hostess served refreshments and all enjoyed a social half hour.

Rawdon AOTS Club Installs Officers

Rawdon Circuit AOTS Men's Club held their Annual Family Night meeting in Mount Pleasant Church Hall with approximately fifty people in attendance.

President Ralph Jeffa welcomed the group and Mr. and Mrs. Craig Watson conducted the sing song. William McAdam gave the fellowship report. Robert H. Hoard conducted the devotional.

Rev. W. C. Cox installed the officers for the year 1966-67, beginning in September. They are as follows: President — Jim Pollock Vice-President — Fred Beckett Secretary — Ross Hoard Treasurer — Glenn Heath

The programme consisted of a vocal duet by Janice and Valerie Clancy, of Wellman's; a reading by Gail Hoover, of Bethel, and a piano duet by Judy and Jill McAdam, Mount Pleasant.

Refreshments were served and following a social hour the group enjoyed crokinole. Prizes were awarded to ladies' high, Mrs. Will Heath; consolation, Mrs. John Carlisle; men's high, Rev. W. C. Cox; consolation, Judy McAdam, playing as a man.

OF MANY THINGS

(By Ambrose Hills)

TAXES RUN UPHILL

Unlike water, taxes run uphill.

When one province imposes a new tax, the others quickly make that an excuse to impose the same or a higher tax on their people. When any province raises a tax, the others quickly raise theirs to match. What lesson is to be learned?

Surely it is that we ought to fight tax increases wherever they occur, because each increase leads to another. Tax gatherers are rapacious.

In my own opinion, Canadians ought to try to get some simple, single tax formula which could not be changed. Today there is such a complexity and diversity of taxes it is hard to nail down the worst offenders. And it means that all of us must play a constant guessing game with the politicians.

A single tax formula would either go up or down and no question about it. All taxes come from the people, and all the people are entitled to a clear picture of what the taxation situation is from government to government. Today it would take a Philadelphia lawyer to figure it out.

I have a friend who is on a fixed income. To him, these constantly increasing taxes work a terrible hardship. They may not be too worrisome to those of us who have jobs or businesses and are benefitting from the economic boom; but to him they mean the difference between decent living and genuine hardship. Yet he does not know who to blame, which government taxes most, or what the record is.

Worst of all, taxes today are often hidden. The merchant is obliged to collect the tax on behalf of the government but the consumer does not realize how much of the price is tax.

Gasoline, for example, is cheap; but the tax imposed makes the price high. The same applies to cigarettes and liquor. In Manitoba, fuel is taxed and no doubt other provinces will impose a similar tax if Manitoba gets away with it.

Often taxes are imposed on moral grounds. Liquor, for example, is taxed because governments think the people will approve. I suppose that when enough people favour birth control, governments will begin to tax babies.

It is high time the taxpayer started a quiet rebellion against our ridiculous taxing process.

WHY YOU MAY HAVE TO PAY MORE FOR DAIRY FOODS

Each year, Canada's dairy farmers get a smaller return for their investment and efforts. Increasing costs of operation, equipment and virtually everything a farm needs, plus a very serious shortage of farm labour, are putting dairy farmers out of business at the rate of about 10,000 each year.

Returns to the dairy farmer have not kept pace with increased costs of farm operation.

From May 1954 to the beginning of 1966, in most Canadian markets, the aggregate increase to the dairy farmer was only 2 cents per quart for standard homo milk.

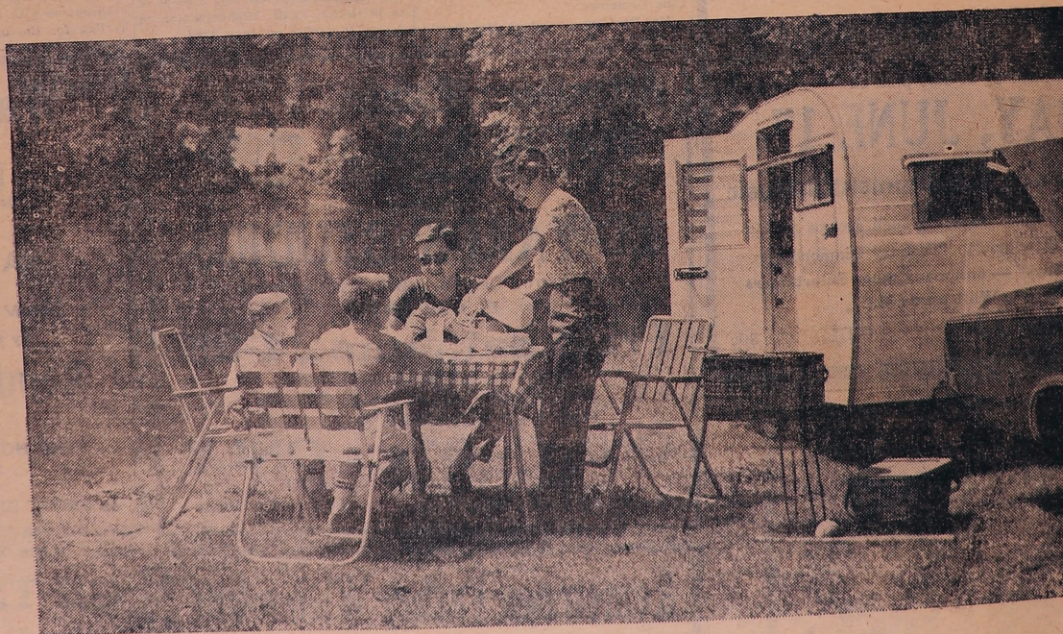

Consumer prices of dairy foods have not increased as much as most other food products.

From May 1954 to the beginning of 1966, in most Canadian markets, the aggregate increase in home delivered milk (standard homo) was only 5 cents a quart.

Canada's dairy industry is vital to our economic and nutritional health. If dairy foods cost a little more than they used to, they'll still be your best food buy.

- when you have completed 36 months of continuous or non-continuous employment with the same employer you will be entitled to two weeks' vacation with pay. Payment

will be on the basis of at least 4% of your pay for all work done during the vacation year. How does the plan work?

An employee having four years continuous or non-continuous employment as of July 1, 1966 will qualify for two weeks' vacation with pay providing the employee has not already taken a paid vacation during his fourth year of employment.

An employee commencing work on or after July 1st, 1966, will be entitled to one weeks' paid vacation in 1967-68-69. In 1970 the employee would be entitled to two weeks' vacation with pay.

Board Receives Offers of Dual Control Car For Driver Training Instruction

The Stirling-Rawdon District High School Board met in regular monthly session on Monday night, with Vice-Chairman W. J. Morton in the chair. He was supported by Jas. Johnston and Dr. R. B. Murray.

It was decided by the Board that while decorating was being done at the school during the summer months the outside windows and sills should also be painted.

A letter was read by Secretary-Treasurer G. G. Bailey from the H. C. Martin Insurance Agency, advising the Board that the accident policy on the Board members was extended for another year.

Borrowing By-Law Approved

The Board went into a committee on by-laws, with W. J. Morton in the chair. A Borrowing By-Law was given its several readings and passed, authorizing the Secretary-Treasurer to borrow up to \$70,000 from the Bank of Montreal, if needed, to operate the school until tax money is received from the Village and Townships.

Principal Hayes Gives Report

Principal R. T. Hayes gave the following report, which was accepted on motion of Dr. R. B. Murray and James Johnston.

Mr. R. T. Hayes has been asked to recommend to the Board that they take membership in the newly-formed film council of the Stirling Public Library. The school now has membership in the Belleville Film Council, and has had satisfactory service except that it is inconvenient to pick up and return films.

Several automobile dealerships have offered to provide a dual control car for driver training. The Board would be responsible for insurance, maintenance and operating expenses. Mr. Philip Fairman has been accepted by the Department of Transport for their Driver Instructor's Course to be held in August.

A Summer School will be operated by the Ontario College of Education in Kingston again this year. Students must have 40% in a subject and take two subjects in order to qualify. The Board is requested to sponsor transportation to Kingston for eligible students.

The commercial option in Grade 11 and 12 of the four year programme this year must be marketed. As there is no approved text, the Board should approve a book by resolution. The one recommended is "Fundamentals of Selling", by Wingate and Nolan, published by Gage.

Mr. C. D. Hall, auditor for the Department of Education spent two days in the school auditing the school registers. The purpose of the audit is to check all errors in procedure, and to ratify the number of pupil days at (Continued on Page Eight)

St. Paul's UCW General Meeting

The General meeting of St. Paul's United Church Women was held on Tuesday, June 7th in the Sunday School Rooms. Mrs. Roy Tucker, acting as hostess, greeted the members at the door.

The President, Mrs. Jack Bush, called the meeting to order and after extending a warm welcome to all, read an appropriate poem entitled, "A New Prayer for the Hurried."

Members of Unit Three were in charge of the devotional. Mrs. W. Williams opened with a message on the theme "Family," stressing points on the family as a unit. The Bible tells us to instruct, inspire, direct and guide our children according to God's way. We will honour Him if we build our home on Christian faith and loyalty to God and to each other. Scripture passages on the family and home were read by Mrs. G. Richardson. Mrs. J. McCaughen led in prayer. The hymn "Happy the Home When God is There" was sung.

The programme portion of the meeting was given by members of Unit 1. Mrs. B. Small opened with a poem, "Crisis in Adoption." A panel consisting of Mrs. Small, Mrs. M. Maguire, Mrs. A. Wells and Mrs. L. Jones gave a question and answer report on adoption problems, such as

requirements for couples wishing to adopt, standards for adoptive children, problems of an unwed mother if she keeps or gives up her baby, and the consequences of a too young couple marrying because of pregnancy.

The panel then discussed the responsibility of the church and parents to teenagers, suggesting chaperoned home parties with a time limit rather than dances for the Grade 9 age group, the panel suggested bowling or skating as alternatives. The parents should also see that their children wear proper and decent clothing at all times.

In the Grades 10-11 age groups, driving to school should be discouraged and dances be properly chaperoned. Books and pamphlets to help and guide the teenager were on display and the members were invited to look them over after the meeting.

Mrs. Bush was in charge of the business. Even though there are no summer meetings the members were urged to use their July and August envelopes and take them to the September meetings. Mrs. E. Bateman sent a report on the Vacation School, which will be held July 11-20.

Mrs. B. Faulkner, for the leadership and development committee, reported a good turnout for the Planning Fellowship evenings and stated that another such programme will be held sometime in October. The Presbyterian Planning Fellowship will be held

September 9-10 at Qain-Mo-Lac.

A lengthy discussion ensued on preparing a room somewhere in the downtown section for the elderly folk to meet and sit and chat. This was met with many enthusiastic responses. It was suggested that UCW share expenses with other organizations, possibly with other churches for this undertaking, such as providing tea and cookies and heat in the wintertime. It is hoped this project will become a reality shortly.

Mrs. C. West sent in a report that since January 275 home calls and 71 hospital calls had been made. Mrs. J. Good suggested reading some new Bible study and guide books which are available including "The Church Grows in Canada." She also reported a brisk sale of books at the Mission Festival which was held in April.

The President reported that 650 lbs. of used clothing was sent in the May bales and expressed appreciation to a member for a donation towards shipping charges.

It was agreed to give assistance for the annual Junior Choir barbecue party to be held before the summer recess. Mrs. D. Williams offered her home for this event. The UCW will also cater at the CGIT Mother and Daughter Banquet September 7th.

Mrs. R. Duffin spoke a few words of thanks for a delicious lunch of fancy sandwiches and tea served by members of Unit 2.

The next general meeting will be held in October.

Two Youths Shaken Up In Accident

A 1957 model car rolled over onto its roof in a one-car mishap near Belleville Saturday evening but the vehicle's two occupants escaped the incident virtually unscathed.

The accident occurred about 7 o'clock Saturday evening just north of the Macdonald-Cartier overpass on Highway 14.

City Ambulance Service rushed to the scene to find that the overturned car's occupants, Leonard Charles

Cooper, 19, and 20-year-old Barry Runnalls had sustained nothing more than a "shaking up" and a scratched finger between them.

The youths told the O.P.P. officers investigating the accident that they skidded out of control after the driver, Cooper, had applied his brakes to avoid a car turning in front of them.

The vehicle, which had been south-bound toward Belleville, came to rest on its roof directly on top of a concrete abutment on the highway's East shoulder.

Chatterton W.I.

The June meeting of Chatterton W.I. was held at the home of Mrs. Roy Ross.

The Vice-President, Mrs. W. Dixon opened the meeting in the usual manner, followed by roll call, "A Geographical Question on Canada", with a good response.

Mrs. Harold Reid gave the report of the District Annual. Mrs. Albert Carson read articles from the C.A.C. bulletin. It was decided to give Stirling Fair Board the usual donation to be used as they wish. A letter from the I.O.D.E. extending an invitation to attend Centennial Night, June 29, at the Stirling Community Hall, was read.

A letter was received from the Hastings County Clerk-Treasurer in connection with the petition for improvement to Hastings Manor and future Homes, stated that hall rails have been placed in Hastings Manor, also cupboards and handrails. Several other items are included in the Bancroft Home.

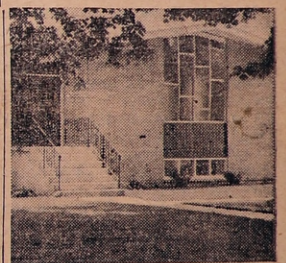

June 30th was set for the entertainment of the Youth Group and a draw for a quilt.

Mrs. Floyd MacInnes convened the following programme: reading, "A Place to Hang Your Hat", by Mrs. Allan Gulliver; Mrs. MacInnes read "A Citizen of Canada" and a sing-song followed. The meeting closed with Grace.

A rummage auction followed and remaining articles will be sold at the next meeting.

Lunch was served by the hostess and her assistants.

The July meeting will be at the home of Mrs. Albert Carson.

SUPPORT YOUR CHAMBER OF COMMERCE

Nearly 1,000 communities in Canada have a Chamber of Commerce. It is a tribute to our democratic system that we Canadians have the freedom to form such voluntary organizations in each of our villages, towns and cities. How lightly we accept our freedoms! It is a tribute to the nation that over 125,000 Canadians in every area of the country devote time, leadership, effort and money to conduct organized efforts designed to make our communities better places in which to live, work and play.

A Chamber of Commerce member is, above all, a good citizen. He is a good neighbour. As a member of the community he is considerate of the feelings and needs of others. He sets apart some of his time and puts forth some effort to help his neighbours to make their community a better place. He takes an active part, with his neighbours, to make the government of the community work better. As a corporate citizen he assures that his company is involved in community activity.

The Chamber of Commerce movement across Canada stands for good citizenship, good business and good government. Your Chamber of Commerce merits your support.

"A fresh mind keeps the body fresh. Take in the ideas of the day, drain off those of yesterday. As to the tomorrow, time enough to consider it when it becomes today," wrote Baron Bulwer, English author and diplomatist.

Do You Remember?

TWENTY-FIVE YEARS AGO

ISSUE JUNE 19th, 1941

The tax rate for the Village of Stirling for the year 1941 is 47 mills. Total assessment is \$477,497.36. R. A. Patterson, Village Treasurer, gave a full and comprehensive prospectus of the finances of the Village.

Among those successful in the examinations for teachers at the Peterborough Normal School are: Winona Beckel, Hazel Detlor, Helen Thain and Muriel Welbourne.

Cheese sold for 15 5/16 cents a

pound at the Belleville Cheese Board this week, the highest price in several years.

Local and Personal
Mrs. Jennie Donohoe returned to her home at River Valley after spending the past month in Toronto.

Mr. and Mrs. Edgar Morrow left recently to spend some time with relatives in Victoria, British Columbia.

Mount Pleasant

On June 11th over 80 ladies gathered at Mount Pleasant United Church to commemorate the 40th anniversary of Mount Pleasant Woman's Missionary Society. First president was Mrs. James Williams. Mrs. Percy MacMullen, President, was chairlady for the celebration.

WHY THERE COULD BE A SHORTAGE OF DAIRY FOODS IN CANADA

In Canada, one of the world's great agricultural countries, it is ironic that there could be a shortage of milk.

One of the main reasons for this is that each year an average of 10,000 dairy farmers are leaving the business.

Despite increased efficiency, high costs of operation, equipment and feed are forcing dairy farmers out of business. Nearly all farm expenses have increased while the price of dairy foods has remained fairly constant.

There is a serious shortage of farm labour. More and more farm workers are attracted to other industries where they can work fewer hours for more pay.

If dairy farmers continue to leave the business at the current rate, there could be a serious shortage of vital dairy foods in Canada. The dairy industry is important to Canada's economic and nutritional health. And dairy foods are still one of your best food values.

County Costs Soar Upwards

The cost of several projects planned by the members of Hastings County Council are going up and up and up, with no end to the spiralling construction costs in sight to comfort the alarmed councillors.

The big shock came when they were told that the planned regional detention centre at Napanee would cost at least double the original estimate. Present estimates set the final cost of approximately \$2,250,000, about double the first guess at the final costs.

About fifty per cent of the construction costs will be paid by the provin-

cial government, the balance will be shared by the four counties of Hastings, Prince Edward, Lennox and Addington and Frontenac.

Cordova Mine Will Re-Open This Summer

Orvana Mines Ltd. has announced that it will re-open Cordova gold mine this summer. A 25-man crew will begin to prepare the property or op-

eration in about two weeks' time. The mine was last worked by Consolidated Mining and Smelting in 1940. When the company moved to Trail, B.C., it left behind 21,000 tons of mined ore which assays at \$12 of gold per ton. The ore is still underground.

Mr. Ivan Sopha, president of Orvana Mines says his company has spent \$150,000 on the property in the past two years to repair mine buildings, install electricity and carry out diamond drilling.

In 1900 Cordova gold mine was the largest operation of its type in Canada.

If a thing is right, it can be done; if wrong, it can be done without.

Wellman's UCW

Fifteen members met on Tuesday afternoon, June 7th, at the home of Mrs. Gerald Clancy for the regular meeting of Wellman's U.C.W.

The president, Mrs. Beckett, opened the meeting with the theme hymn, followed by all repeating the Lord's Prayer. Mrs. Gerald Russett led the Worship Service, based on the theme, "What does the Lord require of thee?" The Scripture was read by Mrs. Douglas Clancy. Meditation thoughts were based on the theme and two hymns were used. Mrs. Russett closed this part of the meeting with prayer.

The Treasurer gave her report showing \$210.00 on hand. Mrs. Gerald Clancy, Mrs. Gerald Russett and Mrs. Tompkins were asked to arrange the catering at the sale barn on July 11th. It was moved that the U.C.W. join with other organizations on the Charge in the membership of the Film Council that is being brought to Stirling Public Library.

The programme consisted of readings by Mrs. Ron Hadley, "Life is a Puzzle" and "The Size of Your Heart"; Mrs. Omar Dracup, "The Gift of God"; Mrs. Gerald Clancy, "June in the Country"; Mrs. Kenneth Tompkins sang, "He Died for Me". Rev. Cox had charge of the Bible Study, taken from chapter 16, "The Means of Grace", from the Word and Way. The Bible is our chief means of Grace, followed by the Sacraments of Holy Communion and Baptism; also worship, Baptism and Holy Communion are acts intended to strengthen our faith in the Word of God. These are the two acts Protestants use that have clear authority from the Scripture.

After the Bible Study, Rev. Cox closed the meeting with the Benediction.

Jehovah's Witnesses Toronto Convention

How to overcome Communism, is a question asked in our age. Many endeavours have been made to do so but unsuccessfully. Walton Lidster, presiding minister of the Stirling Congregation of Jehovah's Witnesses, says that Jehovah's Witnesses have found the answer. As he put it "The best defence against Communism is a good knowledge of God's Word, The Bible, and the application of its principles."

Mr. Lidster said, "Jehovah's Witnesses are against Communism and have been for years. In fact, early issues of their official magazine, The Watchtower, which began to be published in 1879, contained warnings against Communism."

"Because understanding of God's Word has been an efficient deterrent to Communism, the Stirling Congregation of Jehovah's Witnesses is looking forward to the five-day 'God's Sons of Liberty' District Assembly that will be held in Toronto, June 22 through 26, at the Canadian National Exhibition Grandstand," Lidster remarked.

The stand the Witnesses take against Communism has been demonstrated at their large assemblies where resolutions have been adopted condemning Communism and advocating God's Kingdom in the hands of Christ Jesus as the means of destroying Communism completely in our time. For their stand against Communism, Jehovah's Witnesses have been oppressed in Communist lands and thus have had to carry on their Christian activities underground.

Lidster continued, "In 1965, Jehovah's Witnesses spent 7,665,456 hours preaching the hope of God's Kingdom in Iron-Curtain countries. In fact,

the Communists have produced moving picture films ridiculing the Witnesses and discouraging individuals from becoming Witnesses."

"During the Christian gathering at Toronto," Lidster remarked, "the information presented will be faith strengthening and will aid all of Jehovah's Witnesses to continue their successful fight against Communism and you can be sure that even though the Communists continue to develop powerful weapons of destruction, they will also continue to fear God's Word, the Bible, and the activity of Jehovah's Witnesses."

The main lecture of the convention will be entitled "What Has God's Kingdom Been Doing Since 1914?" The talk will be delivered by Nathan H. Knorr, president of the Watch Tower Society, Sunday, June 26, at 3 p.m.

Community Folk Festival To Be Held At Madoc Art Centre

Featuring LaRena and Gordon Clark, Canada's Top Folk Entertainers, the 4th Annual Community Folk Festival will take place at the Madoc Art and Educational Centre on July 2nd and 3rd.

Assisting in the program, there will be an open Variety Show with members of the Hamilton Opera Company, oldtime dancing, music, etc.

The theme of the Festival is Canada's Centennial and in keeping with this theme, 100 years of song and folk singing in Canada's history will be portrayed. Every province in Canada and the Federal Government will have a tourist exhibit, with a special exhibit depicting EXPO, the World's Fair.

There will be 3 performances, Saturday at 2.00 p.m. and 8.00 p.m. and an open programme on Sunday at 2 p.m. All performances are different.

After the show on Saturday evening, the Stetson Strutters, Ottawa's outstanding dance group will play for an open air square dance. A Pancake Lunch and Evening Meal will be served on the grounds. Everyone is invited. Come as you are.

Bethel UCW

An evening meeting of Bethel UCW was held in the Sunday School room, on June 16th. Mrs. D. Heath opened the meeting by reading "A Beautiful Recipe." The Apostle's Creed was repeated in unison. Mrs. W. Kellar led in the worship service, taking for a meditation "The Social Consciousness." Mrs. F. Reid read Psalm 11. The hymns "Happy the Home When God is There" and "Blest Be the Tie That Binds" were sung, with Mrs. H. Elliott as pianist.

Mrs. D. Heath presided for the business session. Fourteen members answered the roll call, "A Book of the New Testament." This will be continued at the July meeting at Mrs. M. Cooney's. Several visits to the sick were reported. Mrs. T. Laycock reported proceeds from a recent banquet. Part of the allocation money is to be forwarded and a mat is to be purchased for inside the door of the Sunday School room.

Mrs. Laycock chose for Bible study the life of Ruth, which included in part the lives of Naomi and Orpa. Accompanied by Mrs. W. Heath, Mrs. Elliott sang "Near to the Heart of God." Readings were given by Mrs. McKeown and Mrs. Lightle. Mrs. W. Cox sang a solo, "Singing I Go."

A contest on "Parts of the Body" was conducted by Mrs. H. Heath. A social half hour was enjoyed. Mrs. L. Reid voiced the appreciation of the group to the hostess, Mrs. E. McMullen.

STIRLING HORTICULTURAL SOCIETY

Two objections attached to sprinkling, as generally done in garden, are (1) It is started too early in the season, before the moisture is needed; (2) During really dry weather too little water is applied. In both cases, more harm than good generally results.

Will Burn Mortgage At Guide Camp

The burning of a \$20,000 mortgage will be the highlight of a gathering of Brownies, Guides and Leaders at the Quinte Area Camp at Waupoos, near Picton, on Sunday, June 26th at 3.00 p.m.

At Waupoos Camp, six years ago, the official opening of the camp was witnessed.

The \$20,000 investment of six years ago has more than doubled its value and today "Waupoos" is one of the most attractive Girl-Guide camps in the Province.

Crookston 8;

Glen Ross 4

The surging Crookston Coveney's took advantage of a two-out error in the seventh inning, breaking a 4-4 deadlock, and handing the slumping Glen Ross Elainea an 8-4 setback. Glen Ross has failed to come up with a win since the first two games of the season. Richard Chapman, Crookston's ace southpaw hurled the victory with Al Huff on the losers rubber.

Foxboro 7;

Glen Miller 5

Meanwhile, Foxboro came from behind a seventh inning deficit to nip Glen Miller 7-5 in Glen Miller. Fireballer Larry Marshall pitched the win with Rick Swaggar toiling in defeat.

Holloway 9;
 Centenary 5
 A bases loaded homer by right fielder Don Harris gave Holloway a 9-5 triumph over slumping Centenary. Ron Denyes was the winner with Brian Harder the loser.

Glen Miller 9;

Glen Ross 4

Glen Miller won their first game of the season here last night, taking full advantage of a comedy of Glen Ross miscues, and went home with a 9-4 victory in a sloppily-played contest, highlighted only by several rhubarbs, mostly involving Glen Ross' new coach, Bob Neal. Rick Peterson went the distance for the winners with Al Huff starting for Glen Ross, needing relief from Keith Grills. Shortstop Paul Solmes and second baseman, Barry Pyear, turned in superb performances for the locals but their best was not enough.

Foxboro 1;

Crookston 0

Foxboro Merchants continued on their winning ways, edging Crookston 1-0 in a pitching duel between Richard Chapman, of Crookston, and Larry Marshall. Chapman whiffed 11, Marshall 8. The only run of the game came in the first inning with Taylor's single and a two-out, wrong field triple by Bamber.

East Hastings PC's Name Officers For New Riding

The executive of the East Hastings Progressive Conservative Association called a meeting for the purpose of electing an executive for the new provincial riding known as "Hastings". Representation was made from municipal Conservative Associations from the old East and West Hastings ridings. (The riding of Hastings incorporates the entire County of Hastings, less the City of Belleville, Town of Trenton, Township of Sidney, which includes Frankford and Batavia.)

Charles Keeble, president of Hastings East Association gave up the chair to Mr. Verse MacMurray to conduct the adoption of a new constitution for the election of officers. The slate of nominees as brought in by the nominating committee was unanimously accepted by those present. Those elected were: President, Kenneth Smith, motel operator, Elzevir Township; 1st Vice, Bill Morton, Stirling; 2nd Vice, Delbert Harvey, Tyendinaga Township; 3rd Vice, Alan Bronson, Bancroft; 4th Vice, Barton Haggerty, West Huntingdon; 5th Vice, Mrs. Lucy McGee, Bancroft; 6th Vice, Mrs. Berta Atkins, Thurlow; Treasurer, Bruce White, Madoc; Secretary, Mrs. Lorne MacTaggart, Dunganon; Association Secretary, Mrs. Kenneth Vivian, Shannonsville.

Mr. Ken Smith, in accepting the presidency said, "I am proud and honoured that you have chosen me to act as your president in the new and great riding of 'Hastings'. This riding has a strong Tory background and I am sure that with the support of the excellent executive that you have elected here tonight, it will continue to elect a Conservative to the Legislature."

A presentation was made by Mr. Harold Vardy, from Hungerford, to the retiring secretary, William March, who has been transferred by his employer to Cobourg.

Mr. Clarke T. Rollins, MLA Hastings East, was introduced and spoke briefly. In his remarks he said, "I will give a report of my activities while I have been your member, when I address the delegates at the next nomination convention."

"I will be a candidate for nomination for the new riding of Hastings."

Mr. Rollins noted that it was encouraging to see the interest shown by the presence of some 325 people who attended the meeting, and assured those present that he would endeavour to represent all parts of the

Native of District Grant Sine, Retires After Forty Years of Teaching

About 200 persons gathered at the Legion Hall in Cobourg recently to pay tribute to the man who had been the backbone of the Cobourg public schools system for 40 years.

The occasion was a surprise retirement reception for Grant Sine, who this year is completing 40 years of public school teaching and 21 years in Cobourg.

Mr. Sine, his wife, Inez, and family arrived at the Legion Hall, following a dinner in his honour by the public school board.

Mr. Sine will take a position as vocational and guidance counsellor with the Indians in Manitoba. He will be working for the Department of Indian Affairs.

Gordon Nelson, public school inspector for this area, told the audience that if Mr. Sine could not speak the same language as the Indians he could always revert to "Sine language".

Born Near Stirling

Mr. Sine was born in Harold, north of Stirling. He attended Stirling High School and teachers' college at Peterborough.

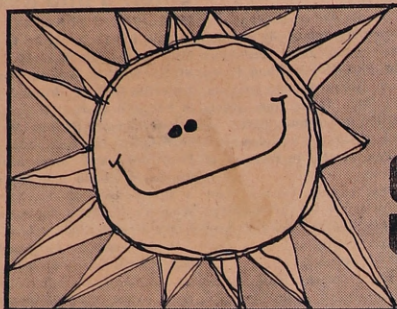

He taught his first two years at S.S. 12, Rawdon Township, a year at Westwood school and 16 years at Hastings.

He began teaching at Cobourg in 1945 and succeeded the late C. R. Gummow as principal of Central School. He became supervising principal shortly afterward.

Mr. Nelson commended the retiring principal for his "frank and honest approach to work" and "his good sense in learning about special education".

Cobourg deputy-reeve L. F. Fisher presented an engraved silver tray to Mr. Sine. Dr. J. F. Leeson, on behalf of the Board, presented Mr. Sine with a gold wrist watch.

In thanking those present, Mr. Sine recalled his past career briefly.

TOWNS HAVE A REPUTATION

Towns have a reputation, and are commonly known as live towns or dead towns. Two towns may have the same population and wealth, but one of them may have an element of live action in it which its rival lacks.

What constitutes this life? It consists first in willingness to work for the benefit of the community. If the people of a town won't organize and carry on activities, they can soon be expected to fall behind.

In a live town, people are constantly looking out for a chance to get new trade, obtain new industries, to encourage the industries they have to expand and to maintain active organizations that provide home town benefits.

Any town can become known as a live town if its people are active and energetic.

degree was conferred by St. Mark's Chapter Officers on Companions John Jinks and Clifford Calnan both from Coneseon, Rt. Ex. Comp. Burton Woodbeck congratulated First Principal Angus McDonald and his officers on the excellent manner and dignity the degree was conferred. He also gave an excellent paper covering the principles of Royal Arch Masonry. When the business was concluded, a social hour of companionship was spent and refreshments were served. St. Mark's Chapter was instituted in 1866, this being their 100th year, there are special events being arranged for the Fall convocations. There is also a committee to feature special events for Centennial 1967 Expo.

Mrs. Clayton Burkitt introduced the guest speaker, Mrs. Kenneth Weaver, President of the Belleville Presbytery, who gave a splendid address on the church in today's world. Mrs. Lorne Bailey presented Mrs. Weaver with a corsage and she and the president thanked her for her address.

A skit, "It Could Be You", was put on by Mrs. M. Mason, Mrs. L. Bailey, Mrs. G. McFaul and Mrs. D. Bateman. Spring Brook U.C.W. received an invitation to attend Rylstone U.C.W. The meeting closed with prayer by Mr. G. Apps. A social hour followed. Baked goods, sewing and plants were offered for sale. The next regular meeting will be held July 7th, at 2:00 p.m.

St. Catharines, Mr. Wright is the holder of a Champlain Scholarship, Trent University's highest academic proficiency, and each is required to be familiar with at least one aspect of the subject or region with which the seminar is concerned. Before leaving Peterborough, Mr. Wright prepared a paper on "The Culture of the Acadians".

Mount Pleasant Messengers

Mount Pleasant Rawdon Messengers convened on Sunday, June 19th, at the Church Hall. The call to worship was given by Joyce Jeffs and Debbie Graff with Bonnie Williams playing quiet music.

Mrs. David Potts prepared the devotional and the Study Books were synopsized by Mrs. Garth Joslin and Mrs. Raymond McConnell.

On the evening of Wednesday, July 13th, the U.C.W. will entertain the Messengers. The ladies are asked to bring sandwiches and cookies and two ten-cent articles for the children's sale table.

The birthday celebration was held for those who have observed their natal day since the last meeting.

The programme consisted of a piano solo by Bonnie Williams; vocal solo, by Kimmy Graff and harmonica music, by Randy Scott. Games were conducted by Joyce Jeffs and Kenneth Sharp.

St. Mark's W.A.

The June meeting of St. Mark's W.A., Bonarlaw, was held at the home of Mrs. A. Burkitt, with an attendance of 9 members and 2 visitors.

The meeting opened with a hymn. Mr. Stewart conducted the devotional exercises. The roll call was answered by giving the name of an article used in the Communion Service. Mr. Stewart had a number of pieces with him and illustrated the use and significance of each.

Mr. Stewart said that the condition and care of the Church speaks of the love of God and the place the church holds in the lives of the parishioners.

Mrs. Barlow reported that a bale had been packed on June 1st in Trenton, which was sent to Saskatchewan.

A tea was planned with also a sale of needlework and home cooking.

Mr. Stewart closed the meeting and Mrs. Burkitt served a delicious lunch.

Letter To The Editor

June 18th, 1966.

Dear Sir:

In a recent visit to your town, after being absent for 26 years, we were astounded at the lack of progress in Stirling. As a matter of fact, when we left 26 years ago, the stores on the Main Street were much more attractive than they are today.

The Hotel is a disgrace to Stirling. There are no motels, dining rooms or accommodations of any sort to be had.

We wish to express our appreciation to Mrs. Davidson for her hospitality and the Stirling Dairy Bar for the good, clean service, which is all Stirling had to offer in the line of good food.

One other thing we discovered is a beautiful Funeral Home, "Duffin-Hogle". Stirling should be proud of this lovely buildings and the fine, courteous service.

Stirling is beautifully situated but what a pity no one tears down old buildings or repairs present standing ones. Someone is sleeping in Stirling.

Oh yes, everyone refers to "Elaine Footwear". But, do you really think one industrial plant is enough for a community the size of Stirling?

If more interest were shown and the place cleaned and brightened up, we are sure other industries would be attracted to this town.

Yours truly,
An Ex-Stirlingite.

Bradley, Secretary-Manager of Belleville Chamber of Commerce of display space for the Highlands of Hastings Tourists Association in the Chamber of Commerce Booth at Belleville Fair.

The next meeting will be held in Stirling Council Chamber the second Friday in July.

In Memoriam

NEAL — In ever loving memory of our dear mother, Effie Neal, who passed away June 29, 1965.

In a quiet country graveyard, Where the breezes gently blow, Lies the one we loved so dearly, That we lost one year ago. She left behind many aching hearts, That loved her most sincerely. Those who think of her today Are those who loved her best. And today recalls the memory Of our loved one gone to rest. There's not a day, dear Mother, That we do not think of you. In our hearts your memory lingers Sweetly tender, fond and true. And we will treasure always, with a love most sincere

The beautiful memories of one, so near and dear.
— Sadly missed and lovingly remembered by the family. 26-1

CARD OF THANKS

It is difficult for us to express in words, how deeply we appreciated the many acts of kindness and the expressions of sympathy we received during our recent bereavement. We are most grateful to the River Valley Women's Institute, The Catholic Women's League, The River Valley Community, The Stirling Lawn Bowling Club and to all our good friends and neighbours who did so much for us. The floral tributes, the spiritual offerings, the donation to the Heart Fund and your visits and cards have made a difficult time much easier to bear. We would like to extend our thanks to the Rev. Wallbridge Thumps

Glen Ross

In a game played Thursday evening June 23rd, errors hurt any chance of a Glen Ross resurgence as Wallbridge handed the locals a 13-6 shellacking. Ron Geen pitched the victory for Wallbridge. Keith Grills started for Elaines and Wallbridge continued to bomb him until the 5th when he was lifted in favour of Ted Dobson, who in turn was replaced by regular starter Al Huff in the seventh. Earl Reid slammed the only homer of the contest.

Crookston Blanks

Centenary

In the nightcap, Crookston, behind the three-hit pitching of southpaw Dick Chapman romped to a 7-0 decision over Centenary Lafferty-Smiths.

Lefty John Bateman went the distance in defeat.

Third Straight

Loss

Glen Ross Elaines, suffered their third straight loss at the hands of the highflying Holloway team on Saturday night. Holloway remains tied for the top spot with Foxboro Merchants who also won on Saturday night, dumping the Wallbridge Wilson 10-1. Ron Denyes combined with Gayle Allen for the Holloway win, with Keith Grills hurling for Glen Ross.

Foxboro unleashed a 16 hit barrage against Wallbridge pitchers Ronnie Geen and Pete Evans. Larry Marshall spun a 4 hitter for the victory. Ron Bamber and Bob Taylor led the Foxboro attack with 4 hits apiece. — Also in a game played in Stirling, Johnstown blanked Crookston 5-0 with Mills hurling the win and Chapman toiling in defeat. In the other Saturday game, Centenary and Glen Miller battled to a 6-6 with Brian Harder and Peterson doing the pitching.

HEAGLE -- LAVER WEDDING SOLEMNIZED AT WARKWORTH

Linda Marie Laver, daughter of Mr. Ralph Switzer, Robert Laver, Floyd and Mrs. Douglas Laver, Warkworth, and Glenn Burton Heagle, son of Mrs. Burton Heagle and the late Mr. Heagle, Harold, Ont., were united in marriage on Saturday, June 11th, in St. Paul's United Church. Rev. H. H. Lackey officiated at the ceremony and the church was adorned with baskets of gladioli and snapdragons.

The wedding music was played by Miss Leslie McCleary, while the soloist was William Isaac.

Given in marriage by her father, the bride wore a gown of white pure silk organza over peau de ange, enhanced with a neckline of French petit point lace. The sleeves were softly edged with matching lace and the design was carried out at the border of the sheath skirt. An organza train, edged with lace, completed the gown. A crown of crystal and pearls held in place her three-tiered silk illusion veil and she carried a bouquet of pink sweetheart roses.

The matron of honour, Mrs. Ralph Switzer, sister of the bride, and the bridesmaids, Misses Joan Rennie, Betty Curle, Leona Wartman and Sherry Bennett were dressed in aquamarine gowns in the A-line style. Lace appliques adorned the neckline and sleeves and the back featured a detachable panel. They wore matching headpieces with small veils and carried bouquets of yellow 'mums. The flower girls, Suzanne Greenley, cousin of the bride, wore a yellow gown similar to the attendants and she carried mauve 'mums.

The ringbearer was Gregory Sullivan.

Attending the groom was his brother, Paul Heagle, and the ushers were

Joyd and Mr. and Mrs. Clarence Fitchett enjoyed a picnic dinner at Glen Allan Park last Sunday.

Several from here attended the Stirling Horticultural Festival of flowers held on Thursday night at St. Paul's United Church.

Miss Audrey Stapley has returned home after enjoying a motor trip to visit friends in Michigan State.

Mrs. W. Harlow, Mrs. Maurice Clancy, Mrs. C. Fitchett, Miss Dianne 'rest and Mr. Glenn Stapley from the Eggleston appointment attended the films and discussion period at Moira United Church on Friday night.

Miss Linda Prest enjoyed the school bus trip to Ottawa last week. Mr. Glenn Stapley is attending a draftsman's course at the General Electric Plant in Peterborough.

St. Paul's UCW Unit Four

The final meeting of Unit Four, prior to the holiday season, was well attended. The meeting was held in the church parlour, with Mrs. C. Macklin as leader.

In her words of welcome, Mrs. Macklin mentioned the fact that this day was called "The first day of Summer" (June 21), and read a suitable poem with a thought for the day. A hymn was sung, followed by prayer by the leader.

Business
650 lbs. of clothing was reported sent in the bale to Toronto. Mrs. H. Walte read a letter of appreciation from Miss Jean Stewart, thanking the Messenger Group for parcels sent to Trinidad and appealing for used books (not text books), and asking that periodicals such as Christian Homes and Upper Room, be shipped flat, not rolled.

Mention was made of a project in mind to plan for some sort of rest room for Senior Citizens of the village, where they might stop in, a couple afternoons a week, to rest and visit. This might concern all churches of the village.

The study book for next year is entitled, "The Church and the World". Orders may be given to the Lit. Secretary for the book and guide. The next general meeting will be held on October 4th. The meeting for Unit Four — September 20th.

Devotionals
Mrs. W. deJong, assisted by Mrs. R. Duffin and Mrs. J. Sharpe conducted this part of the programme. The lesson from Psalm II was read by Mrs. Duffin with Mrs. deJong giving the commentary. Mrs. Sharp offered prayer. Mrs. H. Rosebush and Miss M. White gathered the offering which was dedicated by Mrs. deJong.

Bible Study
The study was based on the Parables as read in Matthew's gospel. Mrs. L. Pollock gave a splendid talk on these — the lost boy, the lost coin, the lost sheep. A question period followed with discussion.

The Social Hour
While tea was being prepared, the ladies enjoyed a short sing-song, trying some of the old tunes and changing to some modern ones, using the same hymns. For the excellent lunch, enjoyed by all, Mrs. Leslie Thompson expressed appreciation and thanks.

The June committee was as follows: Mrs. W. deJong, leader; Mrs. W. West, hostess, assisted by Mrs. L. Pollock, Mrs. R. Duffin, Mrs. S. Elliott, Miss M. White, Mrs. J. Sharp, Mrs. J. Mulhern and Mrs. A. Vandervoort were unable to be present.

Miss Nancy Farney began her duties on Monday in the office of the Belleville General Hospital.

Mr. and Mrs. Wallace McInroy and Mr. and Mrs. Morley Haggerty were dinner guests on Sunday of Mr. and Mrs. J. Wallace.

Mrs. Nellie Rose left Monday to visit her son, Mr. and Mrs. Harold Ross and family, Unionville, Mich.

Mr. and Mrs. Mac Sables spent Saturday in Campbellford and were supper guests of Mr. and Mrs. Creighton Johnston.

St. Andrew's W.M.S.

And Ladies' Aid

The regular meeting of St. Andrew's W.M.S. and Ladies' Aid was held last Wednesday evening at the home of Mrs. John McInroy with a good attendance. The roll call was answered by a verse from the Bible containing the word "Peace". Several members gave short reports of the recent rally held in St. Peter's Presbyterian Church, Madoc.

Mrs. D. C. MacPherson and Mrs. William Donnan read portions of Scriptures pertaining to this month's chapter in the Study Book, "Called to the Ministry of Reconciliation" which was arranged by Mrs. John Wallace. Each member gave some Bible verses and a discussion followed.

Rev. D. C. MacPherson closed the meeting with prayer and the hostess and her committee served lunch.

Hastings County Centennial Book

A lasting record of the County of Hastings' past is this municipality's enterprise to mark Canada's 100th birthday.

Writing and publishing a history of the county will cost \$15,000, shared equally by the municipal, provincial and federal governments.

Approval of this and two other grants, totalling \$20,849, was announced jointly recently by Hon. Judy LaMarsh, Secretary of State and Minister responsible for Centennial Affairs, and Hon. James Auld, Ontario Minister of Tourism and Information and chairman of the Provincial Centennial Committee.

The Township of Ameliasburg will make an addition to its municipal hall and improvements to recreational

park, the \$24,140 outlay aided by a Canada Winter Works grant of \$1,500, an Ontario Community Centres Act grant of \$9,592 and matching centennial awards of \$3,912 from Queen's Park and Ottawa.

The Township of Huntingdon will also construct an addition to its municipal hall at a cost of \$6,000, assisted by equal contributions of \$1,500 from Ontario and Ottawa, the township bearing the balance.

Sale of Wheat To Russia Worth \$800,000

Sale of \$800,000 worth of Canadian wheat and flour to the Soviet Union has been announced. Delivery will

take place over a three-year period. The gigantic sale, largest single commercial wheat transaction in the history of international trade was announced by Canadian Trade Minister Robert Winters.

Agreement was signed by chief commissioner William McNamara of the Canadian Wheat Board and Leonid Batveev, president of the Soviet Grain Import Agency.

Winters told a press conference: "The import of this record sale will extend throughout Canada. It will be felt not only by wheat farmers and millers but by grain handlers, long-shoremen, elevator companies, railways, shipping companies and the economy generally."

The sale will boost the total Canadian wheat and flour sales to Russia in the last four years to \$1,800,000,000.

The President, Mrs. Carr, gave a reading entitled, "The Bible", followed by the hymn, "Nearer My God To Thee", said in unison. Ten members answered the roll call with "What constitutes a good W.A. member?"

The visiting committee reported making six calls. Mrs. Jack Green reported on the day spent packing the bales in Trenton and Mrs. McArthur reported on the layettes which were sent.

It was moved by Mrs. Noble and seconded by Mrs. H. Cooke to give Mrs. McArthur money to purchase wool for the summer months.

Sleeping Sickness Sufferer Dies After Eight Month Illness

A young Canadian Army private from Frankford who has lain in a partial coma since last Fall when he was struck down with a form of sleeping sickness, has died in military hospital at Ottawa.

Private Warren Keith Weese, 19, son of Mr. and Mrs. Donald Weese, of Frankford, died early Monday morning, at Ottawa, and will be buried at a military funeral on Thursday, June 23rd.

Private Weese had been in the Army for only three months when he was struck down with the disease at Camp Petawawa, three days after the Thanksgiving holiday week end last October. For most of the time since, he had been in a coma. Private Weese had attended the Stirling-Rawdon District High School.

The body arrived by train from Ottawa on Monday evening.

Silver Wedding Anniversary

A very enjoyable day was spent on Sunday, June 12th, at the home of Mr. and Mrs. Bruce Stapley, Stirling, when the brothers and sisters of Mr. and Mrs. Raymond Baker, of Kingston, gathered to honour them on their twenty-fifth wedding anniversary.

Raymond Baker, of Madoc, and Annie Cooke, of West Huntingdon, were married June 14th, 1941, at Stirling, by the Rev. M. Laverty, of St. Paul's United Church and have lived in Kingston since their marriage. Their attendants of twenty-five years ago, Mrs. Donald Rodgers, of Stirling, and Mr. Dan Cooke, of West Huntingdon, were both present for the occasion.

The bride was presented with a lovely corsage and the groom a white carnation boutonniere by her sister, Mrs. Lee Purdy, of Belleville, and along with their two children, Ronald and Brenda Baker, and their attendants, were seated at a daintily appointed table, centred with a double ring wedding cake, decorated in pink and white on a large silver tray and flanked on either side with silver candlesticks and candles. Others present were seated at quartet tables throughout the rooms.

Some thirty-five relatives enjoyed a buffet turkey dinner.

During the afternoon, Mrs. Harry Woods, of Oshawa, sister of the groom, read an address and the honoured guests were presented with a purse of money, matching table lamps, gifts of silver and china and numerous congratulatory cards for which they both graciously thanked the relatives. The afternoon was spent in visiting and reminiscing.

YOUR FAMILY WOULD SUFFER IF YOUR HOME BURNED DOWN

They'd suffer . . . loss of clothes, belongings and shelter at least. And they could suffer burns or other painful injuries. There might be loss of life—sleeping children are often overcome by smoke.

A fire in your home could have disastrous effects. Yet home fires are far from uncommon . . . an average of 25 every day in Ontario last year. You can protect your family and property by acting to eliminate four common causes of home fires . . .

- Keep matches away from children
- Don't overload electrical circuits
- Be careful in using and storing inflammable materials
- Don't smoke when you're lying down—in bed or on a chesterfield
